2.3.1 Generally. A Service Area may be comprised of more than one type of use or structure and may include noncontiguous Lots and/or Condominium Units. A Lot and/or Condominium Unit may be assigned to more than one Service Area.

2.3.2 Designation by Declarant. Until the expiration or termination of the Development Period, Declarant reserves the right to assign, in a Notice of Applicability, a Development Area Declaration or in any instrument Recorded by Declarant (which designation will be made in the sole and absolute discretion of Declarant), Lots and/or Condominium Units to one or more Service Areas (by name or other identifying designation) as it deems appropriate, which Service Areas may be then existing or newly created, and may require that the Association provide benefits or services to such Lots and/or Condominium Units in addition to those which the Association generally provides to the Development. Declarant, during the Development Period, may unilaterally amend any Notice of Applicability, Development Area Declaration, or

any Recorded instrument, to re-designate Service Area boundaries or modify the Lots and/or Condominium Units assigned to a particular Service Area.

2.3.3 Designation by Owners. In addition to Service Areas which Declarant may designate, during the Development Period, any group of Owners may petition the Board to designate their Lots and/or Condominium Units as a Service Area for the purpose of receiving from the Association: (i) special benefits or services which are not provided to all Lots and/or Condominium Units; or (ii) a higher level of service than the Association otherwise provides. Upon receipt of a petition signed by Owners of a Majority of the Lots and/or Condominium Units within the proposed Service Area, the Board shall investigate the terms upon which the requested benefits or services might be provided and notify the Owners in the proposed Service Area of such terms and associated expenses, which may include a reasonable administrative charge in such amount as the Board deems appropriate (provided, any such administrative charge shall apply at a uniform rate per Lot and/or Condominium Units among all Service Areas receiving the same service). If approved by the Board, the Declarant during the Development Period, and the Owners of at least sixty-seven percent (67%) of the total number of votes held by all Lots and/or Condominium Units within the proposed Service Area, the Association shall provide the requested benefits or services on the terms set forth in the proposal or in a manner otherwise determined by the Board. After expiration or termination of the Development Period, the Board may discontinue or modify benefits or services provided to a Service Area.

2.3.4 Costs. All costs associated with the provision of services or benefits to a Service Area shall be assessed against the Lots and/or Condominium Units within the Service Area as a Service Area Assessment.

ARTICLE 3 GENERAL RESTRICTIONS AND DISCLOSURES

3.1 General.

3.1.1 Conditions and Restrictions. All Lots and Condominium Units within the Development to which a Notice of Applicability has been Recorded in accordance with *Section 11.5*, shall be owned, held, encumbered, leased, used, occupied and enjoyed subject to the Documents and Applicable Law. **NO PORTION OF THE PROPERTY SHALL BE SUBJECT TO THE TERMS AND PROVISIONS OF THIS COVENANT UNTIL A NOTICE OF APPLICABILITY HAS BEEN RECORDED.**

3.1.2 Compliance with the Documents and Applicable Law. Compliance with the Documents is mandatory. However, compliance with the Documents is not a substitute for compliance with Applicable Law. Please be advised that the Documents do not purport to list or describe each requirement, rule, or restriction which may be applicable to a Lot or a Condominium Unit located within the Development. Each Owner is advised to review all encumbrances affecting the use and improvement of their Lot or Condominium Unit.

Furthermore, Owners should not construe an approval by the Architectural Reviewer as confirmation that any Improvement complies with the terms and provisions of all encumbrances which may affect the Owner's Lot or Condominium Unit. The Association, each Owner, Occupant or other user of any portion of the Development must comply with the Documents and Applicable Law.

3.1.3 Endangered Species. Each Owner is advised that the Property is a natural habitat for the golden-cheeked warbler ("GCW") and black-capped vireo ("BCV"), both of which are protected pursuant to the Endangered Species Act, 16 U.S.C. §1531, et seq. (the "ESA"). Each Owner shall comply with the ESA, any management plan applicable to the Property, and any other Applicable Law pertaining to protection of the GCW and BCV, which may include, without limitation, a restriction on conducting vegetative clearing or certain other activities during the breeding seasons of the GCW and/or BCV.

3.2 Notice Regarding Impervious Cover. There are limits on the amount of Impervious Cover (defined below) that may be incorporated into the Property. No Impervious Cover may be incorporated on a Lot or Condominium Unit without the advance written approval of the Architectural Reviewer. The amount of Impervious Cover allocated to a Lot or Condominium Unit will equal the amount of Impervious Cover shown on plans and specifications for Improvements to be constructed on a Lot or Condominium Unit approved by the Architectural Reviewer (the "**Impervious Cover Allocation**"). The plans and specifications for Improvements submitted to the Architectural Reviewer for review and approval will include a calculation of the Impervious Cover for the Improvements reflected thereon. Upon completion of the Improvements reflected on the plans and specifications approved by the Architectural Reviewer, the Owner of the Lot or Condominium Unit may be required to submit to the Architectural Reviewer, a certification (the "**Certification**") from a professional engineer or licensed architect of the actual square feet of Impervious Cover constructed or incorporated on the Lot or Condominium Unit. The Certification will be provided to the Architectural Reviewer no later than ten (10) days after completion of the Improvements. The Architectural Reviewer may cause the Certification to be Recorded. Unless otherwise approved in advance and in writing by the Architectural Reviewer, no Owner or Homebuilder may exceed the Impervious Cover Allocation. In the event an Owner or Homebuilder exceeds the Impervious Cover Allocation without the advance written approval of the Architectural Reviewer, the Architectural Reviewer may require the removal of such excess Impervious Cover from the Lot or Condominium Unit at the Lot or Condominium Unit Owner's sole cost and expense. "Impervious Cover" and the calculation thereof will mean and be determined in accordance with the Design Guidelines, Homesite Diagrams and the Stormwater Credits for Individual Lots worksheet.

3.3 Mining and Drilling. Except for the Third-Party Oil, Gas and Mineral Interests defined below, no other portion of the Development may be used for the purpose of mining, quarrying, drilling, boring, or exploring for or removing oil, gas, or other hydrocarbons, minerals of any kind, rocks, stones, sand, gravel, aggregate, or earth. This provision will not be construed

to prevent the excavation of rocks, stones, sand, gravel, aggregate, or earth or the storage of such material for use as fill provided that such activities are conducted in conjunction with the construction of Improvements and/or the development of the Development by the Declarant. Furthermore, this provision will not be interpreted to prevent the drilling of water wells approved in advance by the Architectural Reviewer which are required to provide water to all or any portion of the Property; provided any water well located on and serving a single Lot shall not be permitted. All water wells must also be approved in advance by the Architectural Reviewer and any applicable regulatory authority. This *Section 3.3* shall not apply to minerals, resources and groundwater, or some portion thereof or some interest therein, that may have been conveyed or reserved by third parties prior to Declarant's ownership of the Property (the "**Third-Party Oil, Gas and Mineral Interests**"). No representation or warranty, express or implied, is made as to the ownership of the minerals, resources and groundwater or any portion thereof or any interest therein.

3.4 Conceptual Plans. All master plans, site plans, brochures, illustrations, information and marketing materials related to the Property or the Development (collectively, the "**Conceptual Plans**") are conceptual in nature and are intended to be used for illustrative purposes only. **The land uses and Improvements reflected on the Conceptual Plans are subject to change at any time and from time to time, and it is expressly agreed and understood that land uses within the Property or the Development may include uses which are not shown on the Conceptual Plans.** Neither Declarant, a Residential Developer, nor any Homebuilder or other developer of any portion of the Property or the Development makes any representation or warranty concerning such land uses and Improvements shown on the Conceptual Plans or otherwise planned for the Property or the Development and it is expressly agreed and understood that no Owner will be entitled to rely upon the Conceptual Plans or any statement made by the Declarant or any of Declarant's representatives regarding proposed land uses, or proposed or planned Improvements, in making the decision to purchase any land or Improvements within the Property or the Development. Each Owner who acquires a Lot or Condominium Unit within the Development acknowledges that development of the Property will extend over many years, and agrees that the Association shall not engage in, or use Association funds to support, protest, challenge, or make any other form of objection to development of the Property or changes in the Conceptual Plans as they may be amended or modified from time to time.

3.5 Streets Within the Property. The streets located outside the Property are public streets and maintained by applicable governmental authorities. Streets within the Property are private and maintained by the Association and/or MUD. Private streets may be designated by the Declarant as Common Area or Special Common Area. If designated as Common Area or Special Common Area, the Association may adopt, amend, repeal, and enforce the rules, regulations and procedures for use of the private streets, including but not limited to: (i) identification of vehicles used by Owners and Occupants and their guests; (ii) designation of parking areas and no-parking areas, and loading/unloading zones; (iii) limitations or prohibitions

on street parking; (iv) removal or prohibition of vehicles that violate applicable rules and regulations; and (v) fines for violations of applicable rules and regulations; provided; however, no such rules, regulations and procedures for use of the private streets, or enforcement of the foregoing, shall materially and adversely affect use of or access to the Club or the Club Property by the Club Parties.

3.6 Open Space Open to the Public. Declarant reserves the right to grant an easement over and across any open space within the Property for the use and enjoyment of the general public. Declarant reserves for itself and the Association, a perpetual, non-exclusive easement, over, upon, under and across the open spaces for access, use, maintenance, landscaping, irrigation, construction, installation, placement, replacement, upgrading, and repair of the open spaces and related appurtenances in, upon, under and across the open spaces. The open spaces may be designated or conveyed to the Association as Common Area or Special Common Area. **EACH OWNER HEREBY ACKNOWLEDGES AND AGREES THAT PORTIONS OF THE PROPERTY WILL BE OPEN FOR THE USE AND ENJOYMENT OF THE PUBLIC AS WELL AS MEMBERS OF THE ASSOCIATION.**

The easements, rights, and privileges reserved by Declarant pursuant to this *Section 3.6* may be assigned by Declarant to the MUD or other Governmental Entity having jurisdiction over the open spaces. The assignment may be made: (i) unilaterally and without the consent or any further approval of any other party, (ii) exclusively or non-exclusively; and (iii) in whole or in part.

3.7 Cell Tower and Telecommunications Equipment. Telecommunications, cellular, video and digital equipment, including without limitation, broadcast antennae and related equipment, cell towers, cell tower equipment, or other wireless communication antennae and related equipment, cable or satellite television equipment and equipment for high-speed internet access (collectively, the "**CTT Equipment**") may be located on or near the Property and/or the Development or may be constructed on or near the Property and/or the Development. As more particularly described in *Section 10.8* of this Covenant, Declarant has reserved the right, for the benefit of itself and its assigns, to construct, install, use, maintain, repair, replace, improve, remove, and operate CTT Equipment upon all or any portion of the Common Area and/or the Special Common Area. Parties other than the Declarant or its assigns may also have easements for the construction, installation, use, maintenance, repair, replacement, improvement, removal and operation of CTT Equipment.

3.8 View Impairment. Although certain Lots or Condominium Units in the Development at any point in time may have particular views, no express or implied rights or easements exist for views or for the passage of light and air to any Lot or Condominium Unit. Notwithstanding any oral or written statement made by any person or contained in any sales materials or brochures, no representation or warranty whatsoever, express or implied, is made by Declarant, the Association or the Club Parties concerning the view that any Lot or

Condominium Unit will have whether as of the date this Covenant is Recorded or thereafter. Any view that exists at any point in time for a Lot or Condominium Unit may be impaired or obstructed by further construction within or outside the Development, including by construction of Improvements (including landscaping) by Declarant or the Club Owner, construction by third parties (including Owners and Occupants) and by the natural growth of landscaping. No third party, including any broker, salesperson or Owner, has any right to bind Declarant, the Association or the Club Owner with respect to the preservation of any view from any Lot or Condominium Unit or any view of a Lot or Condominium Unit from any other property.

3.9 Safety and Security. Each Owner and Occupant of a Lot or Condominium Unit, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property on the Property. The Association may, but shall not be obligated to, maintain or support certain activities within the Development or other portions of the Property designed to promote or enhance the level of safety or security which each person provides for himself or herself and his or her property. However, none of the Association, the Declarant, or any of their directors, employees, or agents, shall in any way be considered insurers or guarantors of safety or security within the Development or other portions of the Property, nor shall either be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.

No representation or warranty is made that any systems or measures, including security monitoring systems or any mechanism or system for limiting access to the Development or other portions of the Property, cannot be compromised or circumvented; or that any such system or security measures undertaken shall in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands, and shall be responsible for informing any Occupants of such Owner's Lot or Condominium Unit that the Association, its Board, employees, agents, and committees, and the Declarant are not insurers or guarantors of security or safety and that each person within the Development or other portions of the Property assumes all risks of personal injury and loss or damage to property, including any residences or Improvements constructed upon any Lot or Condominium Unit and the contents thereof, resulting from acts of third parties.

3.10 Gated Access. Declarant during the Development Period, or the Association may from time to time, but is in no way required or obligated, take actions or provide Improvements, including devices or services intended to or which may have the effect of improving safety, including actions, devices or services limiting or controlling access to the Development or other portions of the Property (including Common Area or Special Common Area), including but not limited to, mechanical system(s) that limit vehicular access to the streets in the Development from public streets (the "**Gate System**").

All Owners are advised that the Gate System may remain open or non-operational during all or a substantial portion of the Development Period and/or buildout of the Development and/or Property.

3.11.1 Disclaimer. Neither the Declarant, the Club Owner, or the Association shall be responsible for providing security to the Owners or Occupants or their family members, guests, invitees or their Property or Improvements. The purpose of the Gate System shall be to provide some degree of controlled restriction of access on the streets located within the Development or other portions of the Property. Neither the Declarant, the Club Owner, the Association, or any Owner guarantees or assures any other Owner nor any other party whomsoever that the Gate System will in any manner whatsoever provide personal protection or security to any Owner, such Owner's personal property or members, Occupants, guests or invitees, or to any other person, and each Owner, by the acceptance of its deed, shall be deemed to have assumed the entire risk as between such Owner and Declarant, the Club Owner, and the Association for any loss or damage to person or property within the Property arising from any deficiency, failure or defect in the Gate System or otherwise.

3.11.2 Emergency and Governmental Services Access. The local police department and fire department, the MUD, and other applicable Governmental Entities shall have access to the Property for law enforcement and fire protection purposes, and as necessary to conduct official business or maintain, repair, replace, and/or operate certain facilities within the Property, including without limitation, private streets, open spaces, and utilities. Each Owner shall look solely to the local police department and fire department for the provisions of law enforcement, police and fire protection.

THE DECLARANT, THE CLUB OWNER, AND ASSOCIATION DISCLAIMS ANY AND ALL REPRESENTATIONS AND WARRANTIES, EXPRESS OR IMPLIED AND THE DECLARANT MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY NATURE WHATSOEVER REGARDING THE GATE SYSTEM, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR THE PURPOSE FOR WHICH IT WAS DESIGNED. THE DECLARANT, THE CLUB OWNER, AND THE ASSOCIATION DOES NOT EXPRESSLY OR IMPLIEDLY GUARANTEE THAT THE GATE SYSTEM WILL AVERT OR PREVENT OCCURRENCES OR CONSEQUENCES WHICH THE GATE SYSTEM IS DESIGNED TO AVERT OR PREVENT.

3.12 Water Quality Facilities. Portions of the Development may include one or more water quality facilities, sedimentation, drainage and detention facilities, ponds or related improvements which serve all or a portion of the Development, the Property, or additional land (collectively, the "**Facilities**"). Declarant hereby reserves for itself and its assigns a perpetual non-exclusive easement over and across the Development for the installation, maintenance, repair or replacement of the Facilities. The Facilities may be designated by the Declarant in a written notice Recorded to identify the particular Facilities to which the easement reserved hereunder applies,

or otherwise dedicated to the public or applicable Governmental Entity (which may include retention of maintenance responsibility by the Association), conveyed and transferred to any applicable Governmental Entity or conveyed and transferred to the Association as Common Area, Special Common Area or a Service Area. If the Facilities are designated or conveyed or maintenance responsibility reserved or assigned to the Association as Common Area, Special Common Area or a Service Area, the Association will be required to maintain and operate the Facilities in accordance with Applicable Law, or the requirements of any applicable Governmental Entity.

3.13 MUD. Each Owner within the Property is advised that the Property is or will be located within the MUD's jurisdiction. The MUD may be used to, without obligation, construct, maintain, repair, replace, operate, and/or own certain Improvements on the Property, including but not limited to parks, trails, pavilions, community facilities open to the public, parking facilities, sidewalks, irrigation, walkways, lighting, benches, trash receptacles, landscaping, water, wastewater and drainage facilities, streets, roadways, and rights-of-ways and/or for services benefiting all of a portion of the Property. All Owners' and Occupants' golf carts operated, parked or maintained within the Development shall be licensed and registered by the State of Texas. The Association shall be entitled to establish additional rules and regulations governing golf carts, including equipment required to be installed on golf carts, provided such rules and regulations shall not apply to the Club Owner or the Club. **UNDER NO CIRCUMSTANCES SHALL THE DECLARANT, THE CLUB PARTIES, THE ARCHITECTURAL REVIEWER, AND ANY SUCCESSOR IN INTEREST TO THE FOREGOING PARTIES BE RESPONSIBLE OR LIABLE FOR ANY DAMAGE OR INJURY TO PERSONS OR PROPERTY ARISING OUT OF OR RESULTING FROM THE USE OF OWNERS' OR OCCUPANTS' GOLF CARTS WITHIN THE DEVELOPMENT.**

(viii) The right of the Association to contract for services with any third parties on such terms as the Board may determine, except that during the Development Period, all such contracts must be approved in advance and in writing by the Declarant.

4.3 Governance. The Board will consist of at least three (3) individuals elected at the annual meeting of the Association, or at a special meeting called for such purpose. Notwithstanding the foregoing provision or any provision in the Documents to the contrary, until one hundred and twenty (120) days after seventy-five percent (75%) of the Maximum Number of Lots have been made subject to the terms and provisions of this Covenant and have been conveyed to Owners other than the Declarant or a Homebuilder, Declarant will appoint and remove all members of the Board and officers of the Association. Within one hundred and twenty (120) days after seventy-five percent (75%) of the Maximum Number of Lots have been made subject to the terms and provisions of this Covenant and have been conveyed to Owners other than the Declarant or a Homebuilder, the Board will call a meeting of Members of the Association for the purpose of electing one-third of the Board (the "**Initial Member Election Meeting**"), which Board member(s) must be elected by Owners other than the Declarant. Declarant may appoint and remove two-thirds of the Board from and after the Initial Member Election Meeting until expiration or termination of the Development Period. The individuals elected to the Board at the Initial Member Election Meeting shall be elected for a one (1) year term and shall serve until his or her successor is elected or he or she is replaced in accordance with the Bylaws.

4.4 Voting Allocation. The number of votes which may be cast to elect members to the Board (except as provided by *Section 4.3*), and on all other matters the Members may vote on shall be calculated as set forth below.

4.4.1 Lot. Each Owner of a Lot will be allocated one (1) vote for each Lot so owned. In the event of the re-subdivision of any Lot into two or more Lots: (i) the number of

votes to which such Lot is entitled will be increased as necessary to retain the ratio of one (1) vote for each Lot resulting from such re-subdivision, *e.g.*, each Lot resulting from the re-subdivision will be entitled to one (1) vote; and (ii) each Lot resulting from the re-subdivision will be allocated one (1) Assessment Unit. In the event of the consolidation of two (2) or more Lots for purposes of construction of a single residence thereon, votes and Assessment Units (allocated pursuant to *Section 7.9* below) will be reduced as necessary such that the Lot resulting from the consolidation is entitled to one (1) vote and will be allocated one (1) Assessment Unit. Nothing in this Covenant will be construed as authorization for any re-subdivision or consolidation of Lots, such actions being subject to the conditions and restrictions of the Architectural Reviewer.

4.4.2 Condominium Unit. Each Condominium Unit will be allocated that number of votes set forth in the Notice of Applicability attributable to such Condominium Unit. Declarant will determine such number of votes in its sole and absolute discretion. Declarant's determination regarding the number of votes applicable to each Condominium Unit will be final, binding and conclusive. The Notice of Applicability may include a provision with an alternative vote allocation in the event all or a portion of a Lot is submitted to the condominium form of ownership. Declarant, in its sole and absolute discretion, and a Majority of the Board, after the expiration or termination of the Development Period, may modify and amend (which modification and amendment may be effected after Declarant's conveyance of any Condominium Unit to any person not affiliated with Declarant) the number of votes previously assigned to a Condominium Unit if the actual use of the Condominium Unit or Improvements actually constructed on the Condominium Unit differs from the anticipated use of the Condominium Unit or Improvements contemplated to be constructed thereon at the time the notice allocating votes thereto was originally Recorded. In the event of a modification to the votes allocated to a Condominium Unit, Declarant or the Board, as applicable, will Record an amended Notice of Applicability setting forth the revised allocation of votes attributable to the Condominium Unit.

4.4.3 Declarant. In addition to the votes to which Declarant is entitled by reason of *Section 4.4.1* and *Section 4.4.2*, for every one (1) vote outstanding in favor of any other person or entity, Declarant shall have four (4) additional votes until the expiration or termination of the Development Period. Declarant may cast votes allocated to the Declarant pursuant to this *Section 4.4.3* and shall be considered a Member for the purpose of casting such votes, and need not own any portion of the Development as a pre-condition to exercising such votes.

4.4.4 Co-Owners. If there is more than one Owner of a Lot or Condominium Unit, the vote for such Lot or Condominium Unit shall be exercised as the co-Owners holding a Majority of the ownership interest in the Lot or Condominium Unit determine among themselves and advise the Secretary of the Association in writing prior to the close of balloting. Any co-Owner may cast the vote for the Lot or Condominium Unit, and majority agreement shall be conclusively presumed unless another co-Owner of the Lot or Condominium Unit protests promptly to the President or other person presiding over the meeting or the balloting, in the case of a vote taken outside of a meeting. In the absence of a majority agreement, the Lot's or

Condominium Unit's vote shall be suspended if two or more co-Owners seek to exercise it independently. In no event shall the vote for such Lot or Condominium Unit exceed the total votes to which such Lot or Condominium Unit is otherwise entitled pursuant to this *Section 4.4.4*.

4.5 Voting Groups. Declarant, during the Development Period, may designate voting groups consisting of one or more Development Areas or portions of the Development as determined by the Declarant in its sole and absolute discretion, for the purpose of electing members of the Board (the "**Voting Groups**"). The purpose of Voting Groups is to afford representation on the Board by various portions of the Development. If Voting Groups are established then each Owner of a Lot or Condominium Unit shall only vote on the slate of Board candidates assigned to such Owner's Voting Group.

4.5.1 Voting Group Designation. Declarant shall establish Voting Groups, if at all, by Recording a written instrument identifying the Development Areas or portions of the Development within each Voting Group (the "**Voting Group Designation**"). The Voting Group Designation will assign the number of members of the Board which the Voting Group is entitled to exclusively elect.

4.5.2 Amendment of Voting Group Designation. The Voting Group Designation may be amended unilaterally by the Declarant at any time during the Development Period. After expiration or termination of the Development Period, the Board shall have the right to Record or amend such Voting Group Designation upon the vote of a Majority of the Board. Neither Recordation nor amendment of such Voting Group Designation shall constitute an amendment to this Covenant, and no consent or approval to modify the Voting Group Designation shall be required except as stated in this paragraph.

4.5.3 Single Voting Group. Until such time as Voting Groups are established, all of the Development shall constitute a single Voting Group. After a Voting Group Designation is Recorded, any and all portions of the Development which are not assigned to a specific Voting Group shall constitute a single Voting Group.

4.6 Powers. The Association shall have the powers of a Texas nonprofit corporation. It shall further have the power to do and perform any and all acts that may be necessary or proper, for or incidental to, the exercise of any of the express powers granted to it under Applicable Law or this Covenant. Without in any way limiting the generality of the two preceding sentences, the Board, acting on behalf of the Association, shall have the following powers at all times:

4.6.1 Rules. To make, establish and promulgate, and in its discretion to amend from time to time, or repeal and re-enact, Rules, policies, the Bylaws and the Community Manual, as applicable, which are not in conflict with this Covenant, as the Board deems proper, covering any and all aspects of the Development (including the operation, maintenance and preservation thereof) or the Association. During the Development Period, the Declarant must approve Rules

or policies the Board proposes, as well as the Bylaws and the Community Manual, and any modifications thereto.

4.6.2 Insurance. To obtain and maintain in effect, policies of insurance that, in the opinion of the Board, are reasonably necessary or appropriate to carry out the Association's functions.

4.6.3 Records. To keep books and records of the Association's affairs, and to make such books and records, together with current copies of the Documents available for inspection by the Owners, Mortgagees, and insurers or guarantors of any Mortgage upon request during normal business hours in accordance with Applicable Law.

4.6.4 Assessments. To levy and collect Assessments and to determine Assessment Units, as provided in *Article 7* below.

4.6.5 Right of Entry and Enforcement. To enter at any time without notice in an emergency (or in the case of a non-emergency, after seventy-two (72) hours written notice), without being liable to any Owner, upon any Lot and into any Improvement thereon or into any Condominium Unit for the purpose of enforcing the Documents or for the purpose of maintaining or repairing any area, Improvement or other facility or removing any item to conform to the Documents. The expense the Association incurs in connection with the entry upon any Lot or into any Condominium Unit and the removal or maintenance and repair work conducted therefrom, thereon or therein shall be a personal obligation of the Owner of the Lot or the Condominium Unit so entered, shall be deemed an Individual Assessment against such Lot or Condominium Unit, shall be secured by a lien upon such Lot or Condominium Unit, and shall be enforced in the same manner and to the same extent as provided in *Article 7* hereof for Assessments. The Association shall have the power and authority from time to time, in its own name and on its own behalf, or in the name of and on behalf of any Owner who consents thereto, to commence and maintain actions and suits to enforce, by mandatory injunction or otherwise, or to restrain and enjoin, any breach or threatened breach of the Documents. The Association is also authorized to settle claims, enforce liens, and take all such action as it may deem necessary or expedient to enforce the Documents; provided, however, that the Board shall never be authorized to expend any Association funds for the purpose of bringing suit against Declarant, or its successors or assigns. The Association may not enter into, alter or demolish any Improvements on any Lot, or any Condominium Unit, other than Common Area or Special Common Area, in enforcing this Covenant before the Association obtains either (i) a judicial order authorizing such action, or (ii) the written consent of the Owner(s) of the affected Lot(s) or Condominium Unit(s). **EACH OWNER AND OCCUPANT HEREBY RELEASES AND HOLDS HARMLESS THE ASSOCIATION, ITS OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS SECTION (INCLUDING ANY COST, EXPENSE,**

LIABILITY, CLAIM OR CAUSE OF ACTION ARISING OUT OF THE ASSOCIATION'S NEGLIGENCE IN CONNECTION THEREWITH), EXCEPT TO THE EXTENT SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING BY REASON OF THE ASSOCIATION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. "GROSS NEGLIGENCE" DOES NOT INCLUDE SIMPLE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.

4.6.6 Legal and Accounting Services. To retain and pay for legal and accounting services necessary or proper in the operation of the Association.

4.6.7 Conveyances. To grant and convey to any person or entity the real property and/or other interest, including fee title, leasehold estates, easements, rights-of-way or mortgages, out of, in, on, over, or under any Common Area or Special Common Area for the purpose of constructing, erecting, operating or maintaining the following:

- (i) Parks, parkways or other recreational facilities or structures;
- (ii) Roads, streets, sidewalks, signs, street lights, walks, driveways, trails and paths;
- (iii) Lines, cables, wires, conduits, pipelines or other devices for utility purposes;
- (iv) Sewers, water systems, storm water drainage systems, sprinkler systems and pipelines; and/or
- (v) Any similar improvements or facilities.

During the Development Period, the Declarant must approve any grant or conveyance under this Section 4.6.7. In addition, the Association (with the advance written approval of the Declarant during the Development Period) and the Declarant are expressly authorized and permitted to convey easements over and across Common Area or Special Common Area for the benefit of property not otherwise subject to the terms and provisions of this Covenant.

4.6.8 Manager. To retain and pay for the services of a person or firm (the "**Manager**"), which may include Declarant or any affiliate of Declarant, to manage and operate the Association, including Common Area, Special Common Area, and/or any Service Area, to the extent deemed advisable by the Board. Additional personnel may be employed directly by the Association or may be furnished by the Manager. To the extent permitted by Applicable Law, the Board may delegate any other duties, powers and functions to the Manager. In addition, the Board may adopt transfer fees, resale certificate fees or any other fees associated with the provision of management services to the Association or its Members. **THE MEMBERS HEREBY RELEASE THE ASSOCIATION AND THE MEMBERS OF THE BOARD FROM LIABILITY FOR ANY OMISSION OR IMPROPER EXERCISE BY THE MANAGER OF ANY SUCH DUTY, POWER OR FUNCTION SO DELEGATED.**

4.6.9 Property Services. To pay for water, sewer, garbage removal, street lights, landscaping, and all other utilities, services, repair and maintenance, including but not limited to private or public recreational facilities, easements, roads, roadways, rights-of-ways, signs, parks, parkways, median strips, sidewalks, paths, trails, ponds, canals, and lakes.

4.6.10 Other Services and Properties. To obtain and pay for any other property and services, and to pay any other taxes or assessments that the Association or the Board is required or permitted to secure or to pay for pursuant to Applicable Law or under the terms of the Documents or as determined by the Board.

4.6.11 Construction on Common Area and Special Common Area. To construct new Improvements or additions to Common Area and Special Common Area, subject to the approval of the Declarant during the Development Period.

4.6.12 Contracts. To enter into Bulk Rate Contracts or other contracts or licenses with Declarant, the Club Owner, or any third party on such terms and provisions as the Board shall determine, to operate and maintain the Development, any Common Area, Special Common Area, Improvement, or other property, or to provide any service, including but not limited to cable, utility, or telecommunication services, or perform any function on behalf of Declarant, the Club Owner, the Board, the Association, or the Members. During the Development Period, the Declarant must approve all Bulk Rate Contracts.

4.6.13 Property Ownership. To acquire, own and dispose of all manner of real and personal property, whether by grant, lease, easement, gift or otherwise. During the Development Period, the Declarant must approve all acquisitions and dispositions of the Association hereunder.

4.6.14 Authority with Respect to the Documents. To do any act, thing or deed that is necessary or desirable, in the judgment of the Board, to implement, administer or enforce any of the Documents. Any decision by the Board to delay or defer the exercise of the power and authority granted under this *Section 4.6.14* shall not subsequently in any way limit, impair or affect ability of the Board to exercise such power and authority.

4.6.15 Membership Privileges. To establish Rules governing and limiting the use of the Common Area, Special Common Area, and any Improvements thereon as well as the use, maintenance, and enjoyment of the Lots and Condominium Units. During the Development Period, the Declarant must approve all Rules governing and limiting the use of the Common Area, Special Common Area, Service Area and any Improvements thereon.

4.6.16 Relationships with Governmental Entities and Tax Exempt Organizations. To create, enter into agreements or contracts with, or grant exclusive and/or non-exclusive easements over the Common Area, Special Common Area, or Service Area to Governmental Entities or non-profit, tax-exempt organizations. The Association may contribute money, real or

personal property, or services to such entity. Any such contribution shall be a common expense to be included in the Assessments levied by the Association and included as a line item in the Association's annual budget.

4.7 Conveyance of Common Area and Special Common Area to the Association.

Declarant and its assignees reserve the right, from time to time and at any time, to designate, convey, assign or transfer by written and Recorded instrument property being held by the Declarant or a third party for the benefit of the Association, in the sole and absolute discretion of the Declarant. Upon the Recording of a designation, the portion of the property identified therein will be considered Common Area or Special Common Area, as applicable, for the purpose of this Covenant and the Association shall have an easement over and across the Common Area or Special Common Area necessary or required to discharge the Association's obligations under this Covenant, subject to any terms and limitations to such easement set forth in the designation. Declarant and its assignees may also assign, transfer or convey to the Association interests in real or personal property within or for the benefit of the Development, for the Development and the general public, or otherwise, as determined in the sole and absolute discretion of the Declarant. All or any real or personal property assigned, transferred and/or conveyed by the Declarant to the Association shall be deemed accepted by the Association upon Recordation, and without further action by the Association, and shall be considered Common Area or Special Common Area without regard to whether such real or personal property is designated by the Declarant as Common Area or Special Common Area. If requested by the Declarant, the Association will execute a written instrument, in a form requested by the Declarant, evidencing acceptance of such real or personal property; provided, however, execution of a written consent by the Association shall in no event be a precondition to acceptance by the Association. The assignment, transfer, and/or conveyance of real or personal property to the Association may be by deed without warranty, may reserve easements in favor of the Declarant or a third party designated by Declarant over and across such property, and may include such other provisions, including restrictions on use, determined by the Declarant, in the Declarant's sole and absolute discretion. Property assigned, transferred, and/or conveyed to the Association may be improved or unimproved and may consist of fee simple title, easements, leases, licenses, or other real or personal property interests. Upon Declarant's written request, the Association will re-convey to Declarant any real property that Declarant originally conveyed to the Association for no payment. Declarant and/or its assignees may construct and maintain upon portions of the Common Area and/or the Special Common Area such facilities and may conduct such activities which, in Declarant's sole opinion, may be required, convenient, or incidental to the construction or sale of Improvements in the Development, including, but not limited to, business offices, signs, model homes, and sales offices. Declarant and its assignees shall have an easement over and across the Common Area and the Special Common Area for access and shall have the right to use such facilities and to conduct such activities at no charge.

4.8 Indemnification. To the fullest extent permitted by Applicable Law but without duplication of (and subject to) any rights or benefits arising under the Certificate or Bylaws of the

Association, the Association shall indemnify any person who was, or is, a party, or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that such person is, or was, a director, officer, committee member, employee, servant or agent of the Association against expenses, including attorneys' fees, reasonably incurred by him or her in connection with such action, suit or proceeding if it is found and determined by the Board or a court of competent jurisdiction that such person: (a) acted in good faith and in a manner such person reasonably believed to be in, or not opposed to, the best interests of the Association; or (b) with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by settlement, or upon a plea of *nolo contendere* or its equivalent, shall not of itself create a presumption that the person did not act in good faith or in a manner which was reasonably believed to be in, or not opposed to, the best interests of the Association or, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

4.9 Insurance. The Board may purchase and maintain, at the expense of the Association, insurance on behalf of any person who is acting as a director, officer, committee member, employee, servant or agent of the Association against any liability asserted against such person or incurred by such person in their capacity as an director, officer, committee member, employee, servant or agent of the Association, or arising out of the person's status as such, whether or not the Association would have the power to indemnify the person against such liability or otherwise.

4.10 Bulk Rate Contracts.

4.10.1 Authority. Without limitation on the generality of the Association powers set out in *Section 4.6*, the Association shall have the power to enter into Bulk Rate Contracts at any time and from time to time. The Association may enter into Bulk Rate Contracts with any service providers the Board chooses (including Declarant, the Club Owner, and/or any entities in which Declarant, the Club Owner or the owners or partners of Declarant or the Club Owner are the owners or participants, directly or indirectly). The Bulk Rate Contracts may be entered into on such terms and provisions as the Board may determine in its sole and absolute discretion. Notwithstanding the foregoing, during the Development Period, the Declarant must approve all Bulk Rate Contracts.

4.10.2 Bulk Rate Contract Charges. The Association may, at its option and election add the charges payable by such Owner under such Bulk Rate Contract to the Assessments (Regular, Special, Service Area, Special Common Area, or Individual, as the case may be) against such Owner's Lot or Condominium Unit. In this regard, it is agreed and understood that, if any Owner fails to pay any charges due by such Owner under the terms of any Bulk Rate Contract, then the Association shall be entitled to collect such charges by exercising the same rights and remedies it would be entitled to exercise under this Covenant with respect to the failure by such Owner to pay Assessments, including without limitation the right to foreclose

the lien against such Owner's Lot or Condominium Unit which is reserved under the terms and provisions of this Covenant. In addition, in the event of nonpayment by any Owner of any charges due under any Bulk Rate Contract and after the lapse of at least twelve (12) days since such charges were due, the Association may, upon five (5) days' prior written notice to such Owner (which may run concurrently with such 12-day period), in addition to all other rights and remedies available at law, equity or otherwise, terminate, in such manner as the Board deems appropriate, any utility service or other service provided at the cost of the Association and not paid for by such Owner (or Occupant of such Owner's Lot or Condominium Unit) directly to the applicable service or utility provider. Such notice shall consist of a separate mailing or hand delivery at least five (5) days prior to a stated date of termination, with the title "termination notice" or similar language prominently displayed on the notice. The notice shall include the office or street address where the Owner (or Occupant of such Owner's Lot or Condominium Unit) can make arrangements for payment of the bill and for re-connection or re-institution of service. No utility or cable television service shall be disconnected on a day, or immediately preceding a day, when personnel are not available for the purpose of collection and reconnecting such services.

4.11 Community Services and Systems. The Declarant, or a designee of the Declarant, is specifically authorized, but not required, to install, provide, maintain or furnish, or to enter into contracts with other persons to install, provide, maintain or furnish, central telecommunication receiving and distribution systems (*e.g.* cable television, high speed data/Internet/intranet services, and security monitoring) and utility services (*e.g.*, electricity, solar, gas, water), and related components, including associated infrastructure, equipment, hardware, and software to serve all or any portion of the Property or Development ("**Community Services and Systems**"). The Community Services and Systems may be located on any portion of the Property or Development, including Common Area or Special Common Area, and on or in any Improvements constructed thereon, and an easement is herein reserved in favor of Declarant or its designee for the purpose of installing, operating, managing, maintaining, upgrading and modifying the Community Services and Systems. In the event the Declarant, or a designee of the Declarant, elects to provide any of the Community Services and Systems to all or any portion of the Property or Development, the Declarant or designee of the Declarant, may enter into an agreement with the Association with respect to such services. In the event Declarant, or any designee of the Declarant, enters into a contract with a third party for the provision of any Community Services and Systems to serve all or any portion of the Property or Development, the Declarant or the designee of the Declarant shall have the right but not the obligation to assign all or any portion of its rights, duties and obligations under the contract to the Association or any individual or entity. Each Owner acknowledges that, upon any such assignment to the Association: (i) the Association shall assume any and all rights, duties and obligations assigned to it by Declarant or the designee of the Declarant under the contract and any and all rights to any payments to Declarant or the designee of the Declarant under the contract shall be retained by Declarant or the designee of the Declarant. Any such contracts may provide for installation, operation, management, maintenance, and upgrades or modifications to the Community Services

and Systems as the Declarant or its designee determines appropriate. **Each Owner acknowledges that interruptions in Community Services and Systems will occur from time to time. The Declarant and the Association, or any of their respective affiliates, directors, officers, employees and agents, or any of their successors or assigns shall not be liable for, and no Community Services and Systems user shall be entitled to refund, rebate, discount, or offset in applicable fees for, any interruption in Community Services and Systems and services, regardless of whether or not such interruption is caused by reasons within the service provider's control.**

4.12 Protection of Declarant's Interests. Despite any assumption of control of the Board by Owners other than Declarant, until the expiration or termination of the Development Period, the Board is prohibited from taking any action which would discriminate against Declarant, or which would be detrimental to the sale of Lots, Condominium Units or any portion of the Property owned by Declarant. Declarant shall be entitled to determine, in its sole and absolute discretion, whether any such action discriminates or is detrimental to Declarant. Unless the Declarant agrees otherwise in advance and in writing, the Board shall be required to continue the same level and quality of maintenance, operations and services as that provided immediately prior to assumption of control of the Board by Owners other than Declarant until the expiration or termination of the Development Period.

4.13 Administration of Common Area. The administration of the Common Area, Special Common Area and Service Area by the Association shall be in accordance with the provisions of Applicable Law and the Documents, and of any other agreements, documents, amendments or supplements to the foregoing which may be duly adopted or subsequently required by any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans (including, for example, the Federal Home Loan Mortgage Corporation) designated by Declarant or by any Governmental Entity having regulatory jurisdiction over the Common Area, Special Common Area or Service Area or by any title insurance company selected by Declarant to insure title to any portion of such areas.

4.14 Right of Action by Association. The Association shall not have the power to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings: (i) in the name of or on behalf of any Owner (whether one or more); or (ii) pertaining to a claim relating to the design or construction of Improvements on a Lot or Condominium Unit (whether one or more). This *Section 4.14* may not be amended or modified without the written and acknowledged consent of the Declarant and Members entitled to cast at least one hundred percent (100%) of the total number of votes of the Association, which must be part of a Recorded amendment instrument.

ARTICLE 5 CLUB PROVISIONS AND DISCLOSURES

5.1 Club Membership. Each Owner acknowledges and agrees that each Lot and Condominium Unit is or will be made subject to the Club Declaration. Each Owner shall be a mandatory member in the Club, and each Owner will hold such member rights, privileges, and obligations as may be determined from time to time by the Club Owner and as set forth in the Club Documents. By acceptance of a deed, by acquiring any interest in any Lot, Condominium Unit, or other portion of the Development, or by occupying a Lot or Condominium Unit, each Owner and Occupant acknowledges such Owner or Occupant has reviewed the Club Documents. Each Owner and Occupant is further advised to contact the Club Owner or its designee to obtain any additional information regarding all aspects of membership in the Club. Each Owner and Occupant shall comply with and be bound by the terms and provisions of the Club Declaration and any other Club Documents. EACH OWNER AND OCCUPANT ACKNOWLEDGES AND AGREES THAT NEITHER OWNERSHIP NOR OCCUPANCY OF A LOT OR CONDOMINIUM UNIT CONFERS ANY OWNERSHIP INTEREST IN THE CLUB.

Notwithstanding any term or provision in this Covenant or the Club Documents to the contrary, Declarant and Mortgagees will not be mandatory Club members and will not be required to pay Club Assessments for any Lot or Condominium Unit owned by one of the foregoing parties.

5.2 Club Assessments. Except as otherwise provided in the Club Declaration or other Club Documents, each Owner shall be required to pay Club Assessments attributable to such Owner's membership in the Club. Club Assessments will be levied against Lots and Condominium Units in amounts established by the Club Owner pursuant to the Club Declaration and other Club Documents. Pursuant to the Club Declaration, each Club Assessment, together with such interest thereon and costs of collection thereof, is a personal obligation of the Owner of the Lot or Condominium Unit against which the Club Assessment is levied, and is secured by a lien granted and conveyed by Declarant to the Club Owner against the Lots and Condominium Units. The Club Owner may enforce payment of Club Assessments in accordance with the provisions of the Club Declaration and Applicable Law. Except as otherwise provided by Applicable Law, the sale or transfer of a Lot or Condominium Unit will not relieve the Owner of such Lot or Condominium Unit or such Owner's transferee from liability for any Club Assessments thereafter becoming due or from the lien associated therewith.

5.2.1 Collection of Club Assessments. If directed in writing by the Club Owner, the Association will collect from each Owner the Club Assessments, which shall be remitted by the Association to the Club Owner upon receipt. If the Club Owner directs the Association to collect Club Assessments, the Association's obligation to collect Club Assessments may be rescinded or reestablished if previously rescinded, at any time, by written notice provided by the Club Owner to the Association. Notwithstanding the foregoing, in the event the Association is collecting Club Assessments on behalf of the Club Owner and an Owner fails to pay Club Assessments to the Association, the Association shall have no liability for the unpaid Club

Assessments, and the Club Owner may pursue collection of Club Assessments directly from the defaulting Owner.

5.3 Club Property Disclosures. Portions of the Property about the Club Property, and portions of the Club Property wind throughout the Property. All Owners and Occupants acknowledge, understand and agree as follows:

(i) No representations or warranties have been or are made by Declarant, the Club Parties, the Association, or any Person acting on behalf of any of the foregoing, with regard to the continuing ownership or operation of the Club or the Club Property.

(ii) The Club Property and facilities and personal property thereon may be attractive nuisances to children and others and can pose a serious danger of injury or death.

(iii) The operation, maintenance and use of the Club and the Club Property will entail the operation and use of: (i) noisy and odiferous power equipment such as tractors, lawn mowers and blowers on various days of the week, including weekends, during various times of the day, including early morning and late evening hours; (ii) sprinkler and other irrigation systems in operation during the day and at night; (iii) noisy and odiferous electric, gasoline or other power-driven vehicles and equipment used by Club members, guests, invitees, maintenance and operations personnel; (iv) application of odiferous pesticides, herbicides and fertilizing chemicals and bio-solids; and (v) noisy and odiferous refuse removal trucks, delivery trucks, vendor vehicles, construction trucks and equipment, member, guest and invitee vehicles and other vehicles entering and exiting the Club Property on various days of the week, including weekends, during various times of the day, including early morning and late evening hours.

(iv) The Club Property may feature exterior lighting and amplified exterior sound, which will be regularly used for entertainment and social events on various days of the week, including weekends, during various times of the day, including early morning and late evening hours.

(v) Access to and use of the Club Property, or certain portions of the Club Property, may be allowed during all daylight hours up to seven (7) days a week and/or during evening and night-time hours as determined by the Club Owner from time to time. Certain events on the Club Property may be open to the public at large and may be conducted at any time during the year. Large numbers of people will be entering, exiting, and using the Club Property during all daylight and evening hours up to seven (7) days a week.

(vi) Water used to irrigate the Club Property, Common Area, and/or Special Common Area and water which fills the water features and water retention areas within the Property and Club Property, if any, may be wastewater effluent, storm water and other ground or surface waters ("**Property Waters**"). The Property Waters are not potable

(drinkable) water and consumption of such Property Waters by humans or animals may cause adverse reactions, severe illness or fatalities. The Property Waters may cause objectionable odors and staining on buildings, streets, sidewalks and other real and personal properties and may cause erosion and undermining of Lots, Condominium Units, Common Area, and/or Special Common Area.

(vii) The Property is subject to a Club Easement as set forth hereinbelow, and play on the golf course, if any, and/or other facilities on the Club Property may result in incursion onto Common Areas, Special Common Areas, Lots and Condominium Units and may cause damage to an Owner, Occupant or Improvements on Lots and/or Condominium Units as a result of golf balls or other objects leaving the Club Property and persons retrieving errant golf balls or other objects, including damage to windows and exterior areas of Improvements, automobiles and personal property of Owners and Occupants, whether outdoors or within a building, and injury to persons, and may cause interference with the quiet enjoyment of the Owners and Occupants of Lots and/or Condominium Units.

(viii) Any Improvements on the Club Property may be relocated, reconfigured, eliminated, added or modified from time to time, which actions may adversely impact Owners and Occupants' views and peaceful enjoyment of a Lot, Condominium Unit, Common Area, and/or Special Common Area.

(ix) Certain Lots, Condominium Units, Common Areas, and Special Common Areas may be more susceptible than others to incursions and damage by Property Waters, golf balls, and other objects or projectiles.

(x) The proximity of Lots, Condominium Units, Common Area, and Special Common Area to the Club and Club Property create a risk of damage or injury. Each Owner hereby assumes the risk of any and all damage or injury which may be caused by operation of the Club Property.

(xi) The Club Owner may add to, remove or otherwise modify the landscaping, facilities, and other features of the Club Property, and neither the Club Parties, Homebuilder, Declarant, nor the Association, shall have any liability to any Owner as a result of such modifications to the Club Property.

Each Owner and Occupant acknowledges, understands and agrees that the existence of the Club may cause inconvenience, disturbance and possible injury or damage to property and to the Owners and Occupants, including but not limited to: noise and odors from Club operations, noise from construction and maintenance equipment, noise and disturbance caused by Club guests and invitees, noise and disturbance from tournaments, parties and functions, use of pesticides, herbicides and fertilizers, view restrictions caused by planting and maturation of trees, shrubbery and Club Improvements and features, reduction in privacy caused by constant traffic, relocation of cart paths or removal and pruning of trees and shrubbery, and design and redesign of the Club Property. Each of the Owners and Occupants has considered the location of the

Property and the Lot or Condominium Unit being purchased, leased, used, visited, or occupied and its proximity to the Club Property. **BY ACCEPTANCE OF A DEED, BY ACQUIRING ANY INTEREST IN ANY OF THE PROPERTY, OR BY USING, VISITING OR OCCUPYING A LOT, CONDOMINIUM UNIT, COMMON AREA, OR SPECIAL COMMON AREA, EACH OWNER AND OCCUPANT ACKNOWLEDGES AND ASSUMES THE RISKS OF THE AFORESAID NUISANCE, INCONVENIENCE, DISTURBANCE AND POSSIBLE INJURY, DEATH OR DAMAGE TO PERSONS AND PROPERTY BASED UPON, DUE TO, ARISING FROM OR OTHERWISE RELATED TO THE FOREGOING, AND AGREES TO HOLD THE ASSOCIATION, THE DECLARANT AND THE CLUB PARTIES HARMLESS THEREFROM, INCLUDING ANY CLAIM ARISING IN WHOLE OR IN PART FROM THE NEGLIGENCE OF THE CLUB PARTIES.**

5.4 Club Not Governed by the Association. NEITHER THE CLUB OWNER, THE CLUB PROPERTY, NOR THE CLUB IS GOVERNED BY THE ASSOCIATION. Declarant, Homebuilders, Residential Developers, and the Club Owner make no representations, warranties, guaranties, commitments or promises that the Club Property, if any, will ever be improved with any golf or recreational facilities or operated in any particular manner. By accepting title to any Lot or Condominium Unit, each Owner hereby acknowledges, accepts, covenants and agrees that the Owner has no right, title or interest in the Club Property.

5.5 Owner Acknowledgment. Each Owner, by acceptance of a deed or contract of sale to a Lot or Condominium Unit acknowledges:

(i) Notwithstanding the fact that the Club Property may be considered open space or a recreation area for purposes of Applicable Law, each Owner by acquisition of title to a Lot or Condominium Unit releases and discharges forever the Declarant and the Club Parties from any claim that the Club Property is, or must be, owned and/or operated by the Association or the Owners.

(ii) That the Club Owner and its designees, in the Club Owner's sole discretion, may add to, remove or otherwise modify the buildings, landscaping, trees, and other features of the Club Property, including newly constructing or changing the location, configuration, design, size and elevation of buildings and other features and facilities on the Club Property; that neither the Club, Club Owner, Declarant, nor the Association shall have any liability to any Owner as a result of such additions to or modifications of the Club Property; provided, however, all such modifications or changes shall comply with Applicable Law.

(iii) The limitations, restrictions, responsibilities, obligations and liabilities imposed upon Owners by this Covenant, and the limitations, restrictions, responsibilities, obligations and liabilities imposed upon Owners and the Association under the Club Declaration, this Covenant, any other Club Documents, and applicable Club rules and regulations may adversely impact the number of potential future purchasers of an Owner's Lot or Condominium Unit, the ability of Owner to re-sell such Owner's Lot or

Condominium Unit, and the amount of consideration to be received by the Owner upon the re-sale of such Owner's Lot or Condominium Unit.

(iv) That no representations or warranties which are inconsistent with this Covenant or the Club Declaration, either oral or written, have been made or are made by Declarant, the Association or any person acting on behalf of Declarant or the Association.

(v) EACH OF THE OWNERS AND OCCUPANTS HEREBY RELEASE AND HOLD HARMLESS DECLARANT, THE ASSOCIATION, HOMEBUILDER, RESIDENTIAL DEVELOPER, AND THE CLUB PARTIES FROM ANY AND ALL CLAIMS, ACTIONS, SUITS, DEMANDS, CAUSES OF ACTION, LOSSES, DAMAGES OR LIABILITIES BASED UPON, DUE TO, ARISING OUT OF, OR RELATING TO ANY NUISANCE, INCONVENIENCE, DISTURBANCE, INJURY, DEATH, DAMAGE, OR DIMINUTION OF VALUE, TO PERSONS AND PROPERTY ARISING OUT OF OR RELATING TO THE ACTIVITIES OR OCCURRENCES DESCRIBED IN THIS SECTION OR THE CLUB DECLARATION.

5.6 Club Easement. By recordation of this Covenant, Declarant does hereby reserve for the Club Owner a perpetual, alienable and transferable easement over, across and upon the Property for the purpose of doing every act necessary and appropriate to the use and enjoyment of the Club Property by the Club Parties (the "**Club Easement**"), which shall include the recovery of golf balls from any Lot, Condominium Unit, Common Area, or Special Common Area, the flight of golf balls over and upon any Lot, Condominium Unit, Common Area, or Special Common Area, the noise level created by the playing of golf, golf tournaments, and Club functions and parties, and the activities associated with the operation and maintenance of the Club Property. Such Club Easement shall specifically constitute a part of the Club Property. Without limiting the foregoing, the Club Easement rights include the following:

(i) The Club Owner shall have an unrestricted easement of access over the Property for the purpose of retrieving golf balls from bodies of water, other than swimming pools, lying reasonably within range of golf balls hit from the Golf Course. All golf balls within such bodies of water not immediately retrieved by the owner of such golf balls shall be the property of the Club Owner.

(ii) The Club Owner shall have a perpetual, nonexclusive easement over, under and upon each and every Lot, Condominium Unit, Common Area, and Special Common Area (but not through any structures thereon) for the purpose of installation, operation, service, repair, replacement, enhancement and maintenance of the Club Property, including the installation of recreational and other facilities on the Club Property and the use of usual and common equipment for irrigation, maintenance and landscaping thereof. By way of example and not limitation, such easement shall permit, but shall not require, entry into any Lot and/or Condominium Unit for the purpose of planting grass, applying fertilizer, mowing and edging and removing any underbrush, trash, debris and trees from the Club Property.

(iii) The Club Owner shall have a perpetual, nonexclusive easement over, under and upon the Property to provide for (a) installation, service, repair and maintenance of the equipment and lines required to provide utility services to the Club Property, including power, lights, telephone, cable television, telecommunications, gas, water, sewer, irrigation and drainage, and (b) governmental services, including police, fire, health, sanitation and other public service personnel, including reasonable rights of access for persons and equipment necessary for such purposes for the benefit of the appropriate utility companies, agencies, franchises or governmental agencies.

(iv) The Club Parties (regardless of whether such persons are Owners hereunder) shall at all times have a perpetual, nonexclusive, unrestricted easement for pedestrian, vehicular, golf cart, construction, service and maintenance vehicle traffic for access and use over, alongside and through all streets, roadways, paths, and entry and exit gates located within the Property reasonably necessary to travel to and from each entrance and exit to the Property, from, to and between Club Property, respectively. Without limiting the generality of the foregoing, the Club Parties shall have the right to enter and exit the Property through the entry and exit gates located within the Property, to use any pedestrian and golf cart paths located throughout the Property, and to park their vehicles on and alongside the streets and roadways located within the Property, seven (7) days a week and fifty-two (52) weeks a year, including all holidays, at reasonable times before, during and after the operating hours of the Club, tournaments on the Club Property, and various other functions and parties held at the Club Property. The Association shall not impose upon any Club Party a fee or other requirement to exercise a Club Party's rights under this subsection, except for such requirements as Club Owner desires to impose upon the Club Parties (e.g., identification) and unless as otherwise set forth in a Recorded instrument executed by the Club Owner.

(v) The Club Owner shall have an unrestricted easement for errant golf balls, projectiles, Property Waters, grass cuttings, landscape clippings, herbicides, pesticides and fertilizer that enter upon the Property, including each of the Lots, Condominium Units, Common Area, and Special Common Area from the Club Property (the "**Golf Projectile Easement**").

(vi) To the extent that any Improvements on the Club Property or any Improvements owned by the Club Owner, including but not limited to cart paths, fairways, roughs, greens, tees, bunkers, traps, lakes, hazards, water features, waste areas, half way stations, club house facilities, maintenance facilities, driveways, irrigation facilities, utility facilities, underground pipelines and conduits, drainage structures, surface water runoff or any other golf structure or Improvement as originally constructed or operated encroaches upon any Lot, Condominium Unit, Common Area, or Special Common Area, it shall be deemed that the Owner of such property has granted a perpetual, alienable and transferable easement to the Club Owner for the continuing maintenance and use of such encroaching Improvement, structure or impact (the "**Club**

Encroachment Easement"). The Club Encroachment Easement shall further apply to any replacements or enhancements of such Improvements or structures if the same are constructed in substantial conformity with the original structure or Improvement.

(vii) UNDER NO CIRCUMSTANCES SHALL DECLARANT, THE CLUB PARTIES, THE ASSOCIATION AND ANY SUCCESSOR IN INTEREST TO THE FOREGOING BE RESPONSIBLE OR LIABLE FOR ANY DAMAGE OR INJURY TO PERSONS OR PROPERTY ARISING OUT OF OR RESULTING FROM THE EXERCISE OF THE CLUB ENCROACHMENT EASEMENT, THE CLUB EASEMENT, AND THE GOLF PROJECTILE EASEMENT.

5.7 **Use of Names.** No person shall use the name "Travis Club" or any derivative of such name, or any name used by Declarant or its permittee to market or sell Lots or Condominium Units, in any printed or promotional materials without Declarant's prior written consent. However, Owners may use the name "Travis Club" or derivations thereof in printed or promotional materials prepared in connection with the sale or rental of their respective Lot or Condominium Unit where such term is used solely to specify that such Lot or Condominium Unit is located within the Development, and the Association shall be entitled to use the words "Travis Club" in its name. The Association shall not use any name, web site domain, mark, symbol, or any derivation of the foregoing (collectively, the **"Intellectual Property"**) of Declarant or its permittee without the owner of such Intellectual Property's prior written consent. Any use by the Association of Intellectual Property shall inure to the benefit of Declarant and/or its permittee and shall be subject to periodic review for quality control. The Association shall enter into license agreements with Declarant and/or its permittee, terminable with or without cause and in a form specified by Declarant or its permittee, as applicable, in its sole discretion, with respect to any permissive use of any such Intellectual Property.

5.8 **Use of Reference Intellectual Property; Licensing Matters.** The Declarant and/or the Club Owner may, from time to time, either own rights in, or enter into agreements (the **"Licensing Agreements"**) with third-parties (each, a **"Licensor"**) providing the Declarant and/or the Club Owner with rights in, certain trademarks, marks, trade names and/or other intellectual property related to the name or branding of the Property or the Development for reference purposes (collectively, with the Intellectual Property, the **"Reference Intellectual Property"**). Under no circumstances will the Reference Intellectual Property be deemed part of the Development or an appurtenance of any Lot or Condominium Unit. In no event will the Association, the Board, nor any Owner have any right, title or interest in the Reference Intellectual Property, or in any Licensing Agreement. Each Owner, by its acceptance of a deed to a Lot or Condominium Unit acknowledges and agrees: (i) that it acquires no rights in or to the Reference Intellectual Property; (ii) not to interfere with or contest in any way the Declarant, the Club Owner, or any Licensor's rights in or ownership of the Reference Intellectual Property; and (iii) not to form, create or utilize (or attempt to form, create or utilize) in connection with the Lot or Condominium Unit, the Development, the Property or any other real estate project or venture,

any entity whose name utilizes all or any portion of the Reference Intellectual Property or is otherwise derived from the Reference Intellectual Property. A Licensing Agreement may require the adherence to certain conditions associated with the sale and marketing of Lots and Condominium Units and/or operation of the Development, and notwithstanding any provision in this Covenant to the contrary and unless otherwise prohibited by Applicable Law, such conditions will govern the sale and marketing of Lots and Condominium Units and/or operation of the Development. Notwithstanding any other condition, statement, or understanding of any Owner, the Board or any other person to the contrary: (a) the Licensor will not be deemed to, and has not acted as, the developer, architect, engineer, contractor, sponsor, broker or marketer (or in any similar capacity) in connection with the Development or the marketing or sale of the Lots or Condominium Units; and (b) the Licensor does not make, and will not be deemed to have made, any representations or warranties of any nature whatsoever in connection with the Development or the marketing or sale of the Lots and Condominium Units. No Owner will be deemed a third-party beneficiary of any Licensing Agreement.

5.9 The Club's Approval Rights. Notwithstanding any term or provision in this Covenant to the contrary, the provisions contained in this *Article 5* and any other provision pertaining to the Club, Club Owner, and/or the Club Property in this Covenant may not be amended without the advance written approval of the Club Owner.

**ARTICLE 6
INSURANCE AND RESTORATION**

6.1 Insurance. Each Owner shall be required to purchase and maintain commercially standard insurance on the Improvements located upon such Owner's Lot or Condominium Unit. The Association shall not maintain insurance on the Improvements constructed upon any Lot or Condominium Unit. The Association may, however, obtain such other insurance as it may deem necessary, including but not limited to such policies of liability and property damage insurance as the Board, in its discretion, may deem necessary. Insurance premiums for such policies shall be a common expense the Association will include in the Assessments levied. The acquisition of insurance by the Association shall be without prejudice to the right and obligation of any Owner to obtain additional individual insurance.

ARE YOU COVERED?
The Association will not provide insurance which covers an Owner's Lot, a Condominium Unit, or any Improvements or personal property located on a Lot or within a Condominium Unit.

6.2 Restoration Requirements. In the event of any fire or other casualty, unless otherwise approved by the Architectural Reviewer, the Owner shall: (i) promptly repair, restore and replace any damaged or destroyed structures to their same exterior condition existing prior to the damage or destruction thereof or (ii) in the case of substantial or total damage or destruction

of any Improvement, remove all such damaged Improvements and debris from the Development within ninety (90) days after the occurrence of such damage. Such repair, restoration or replacement shall be commenced and completed in a good and workmanlike manner using exterior materials substantially similar to those originally used in the structures damaged or destroyed. To the extent that the Owner fails to commence such repair, restoration or replacement of substantial or total damage or destruction within one hundred and twenty (120) days after the occurrence of such damage or destruction, and thereafter prosecute the same to completion, or if the Owner does not clean up any debris resulting from any damage within sixty (60) days after the occurrence of such damage, the Association may commence, complete or effect such repair, restoration, replacement, removal, or clean-up, and such Owner shall be personally liable to the Association for the cost of such work; provided, however, that if the Owner is prohibited or delayed under Applicable Law from commencing such repair, restoration, replacement or clean-up, the rights of the Association under this provision shall not arise until the expiration of thirty (30) days after such prohibition or delay is removed. If the Owner fails to pay such cost upon demand by the Association, the cost thereof (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, than at the rate of one and one-half percent (1½%) per month) shall be added to the Assessment chargeable to the Owner's Lot. Any such amounts added to the Assessments chargeable against a Lot or Condominium Unit shall be secured by the liens reserved in this Covenant for Assessments and may be collected by any means provided in this Covenant for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot or Condominium Unit. **EACH OWNER, BY ACCEPTING TITLE TO ALL OR ANY PORTION OF THE DEVELOPMENT, HEREBY RELEASES AND HOLDS HARMLESS THE ASSOCIATION AND ITS OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS SECTION, EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR COST OF ACTION ARISING BY REASON OF THE ASSOCIATION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. "GROSS NEGLIGENCE" AS USED HEREIN DOES NOT INCLUDE SIMPLE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.**

6.3 Restoration - Mechanic's and Materialmen's Lien. Each Owner whose structure the Association repairs, restores, replaces or cleans up pursuant to the rights granted under this Article, hereby grants to the Association an express mechanic's and materialmen's lien for the reasonable cost of such repair, restoration, replacement or clean-up of the damaged or destroyed Improvement to the extent that the cost of such repair, restoration, replacement, or clean-up exceeds any insurance proceeds allocable to such repair, restoration, replacement, or clean-up which are delivered to the Association. Upon request by the Board, and before the commencement of any reconstruction, repair, restoration, replacement, or clean-up such Owner

shall execute all documents sufficient to effectuate such mechanic's and materialmen's lien in favor of the Association.

**ARTICLE 7
COVENANT FOR ASSESSMENTS**

7.1 Assessments.

7.1.1 Established by Board. The Board shall levy Assessments pursuant to the provisions of this Article against each Lot and Condominium Unit in such amounts as the Board shall determine pursuant to *Section 7.9*. The Board shall determine the total amount of Assessments in accordance with the terms of this Article.

7.1.2 Personal Obligation; Lien. Each Assessment, together with such interest thereon and costs of collection as hereinafter provided, shall be the personal obligation of the Owner of the Lot or Condominium Unit against which the Assessment is levied and shall be secured by a lien hereby granted and conveyed by Declarant to the Association against each such Lot and all Improvements thereon and each such Condominium Unit (such lien, with respect to any Lot or Condominium Unit not in existence on the date hereof, shall be deemed granted and conveyed at the time that such Lot or Condominium Unit is created). The Association may enforce payment of such Assessments in accordance with the provisions of this Article. Unless the Association elects otherwise (which election may be made at any time), each residential condominium association established by a condominium regime imposed upon all or a portion of the Development Area shall collect all Assessments levied pursuant to this Covenant from Condominium Unit Owners within such condominium regime. The condominium association shall promptly remit all Assessments collected from Condominium Unit Owners to the Association. If the condominium association fails to timely collect any portion of the Assessments due from the Owner of the Condominium Unit, then the Association may collect such Assessments allocated to the Condominium Unit on its own behalf and enforce its lien against the Condominium Unit without joinder of the condominium association. The condominium association's right to collect Assessments on behalf of the Association is a license from the Association which may be revoked by written instrument at any time, and from time to time, at the sole and absolute discretion of the Board.

7.1.3 Declarant Subsidy. Declarant may, but is not obligated to, reduce Assessments which would otherwise be levied against Lots and Condominium Units for any fiscal year by the payment of a subsidy to the Association. Any subsidy the Declarant pays to the Association may be treated as a contribution or a loan, in Declarant's sole and absolute discretion. The payment of a subsidy in any given year shall not obligate Declarant to continue payment of a subsidy to the Association in future years.

7.1.4 Commencement of Assessments. Assessments will commence as to a particular Lot on the first day of the month after the Lot has been made subject to the terms and

provisions of this Covenant. If Assessments are due and payable less frequently than once per month, e.g., quarterly or annually, Assessments will be prorated based on the number of months remaining during the billing period.

7.2 Maintenance Fund. The Board shall establish a maintenance fund into which shall be deposited all monies paid to the Association and from which disbursements shall be made in performing the functions of the Association under this Covenant. The funds of the Association may be used for any purpose authorized under the Documents and Applicable Law.

7.3 Regular Assessments. Prior to the beginning of each fiscal year, the Board will prepare a budget for the purpose of determining amounts sufficient to pay the estimated net expenses of the Association ("**Regular Assessments**") which sets forth: (a) an estimate of expenses the Association will incur during such year in performing its functions and exercising its powers under this Covenant, including, but not limited to, the cost of all management, repair and maintenance, the cost of providing street and other lighting, the cost of administering and enforcing the Documents; and (b) an estimate of the amount needed to maintain a reasonable provision for contingencies and an appropriate replacement reserve, but excluding (c) the operation, maintenance, repair and management costs and expenses associated with any Service Area and Special Common Area. Regular Assessments sufficient to pay such estimated expenses will then be levied at the level set by the Board in its sole and absolute discretion, and the Board's determination will be final and binding. If the sums collected prove inadequate for any reason, including nonpayment of any Assessment by an Owner, the Association may at any time, and from time to time, levy further Regular Assessments in the same manner. All such Regular Assessments will be due and payable to the Association at the beginning of the fiscal year or in such other manner as the Board may designate in its sole and absolute discretion.

7.4 Special Assessments. In addition to the Regular Assessments provided for above, the Board may levy special assessments (the "**Special Assessments**") whenever in the Board's opinion such Special Assessments are necessary to enable the Board to carry out the functions of the Association under the Documents. The amount of any Special Assessments will be at the sole discretion of the Board. In addition to the Special Assessments authorized above, the Association may, in any fiscal year, levy a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area or Special Common Area. Any Special Assessment the Association levies for the purpose of defraying, in whole or in part, costs of any construction, reconstruction, repair or replacement of capital improvement upon the Common Area will be levied against all Owners based on Assessment Units. Any Special Assessments the Association levies for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon any Special Common Area will be levied against all Owners who have been assigned the obligation to pay Special Common Area Assessments based on Assessment Units. All Special Assessments will be due and payable to the Association at the

beginning of the fiscal year or in such other manner as the Board may designate in its sole and absolute discretion.

7.5 Special Common Area Assessments. Prior to the beginning of each fiscal year, the Board will prepare a separate budget covering the estimated expenses to be incurred by the Association to operate, maintain, repair, or manage any Special Common Area. The budget will be an estimate of the amount needed to operate, maintain, repair and manage such Special Common Area including a reasonable provision for contingencies and an appropriate replacement reserve. The level of Special Common Area Assessments will be set by the Board in its sole and absolute discretion, and the Board's determination will be final and binding. If the sums collected prove inadequate for any reason, including non-payment of any Assessment by an Owner, the Association may at any time, and from time to time, levy further Special Common Area Assessments in the same manner as aforesaid. All such Special Common Area Assessments will be due and payable to the Association at the beginning of the fiscal year or in such other manner as the Board may designate in its sole and absolute discretion.

7.6 Service Area Assessments. Prior to the beginning of each fiscal year, the Board will prepare a separate budget for each Service Area reflecting the estimated Service Area Expenses to be incurred by the Association in the coming year. The total amount of Service Area Assessments will be allocated (a) equally among Lots or Condominium Units within the Service Area, (b) based on Assessment Units assigned to Lots or Condominium Units within the Service Area, or (c) based on the benefit received among all Lots and Condominium Units in the Service Area. All amounts that the Association collects as Service Area Assessments will be expended solely for the benefit of the Service Area for which they were collected and will be accounted for separately from the Association's general funds.

7.7 Individual Assessments. In addition to any other Assessments, the Board may levy an individual assessment (the "**Individual Assessment**") against an Owner and the Owner's Lot or Condominium Unit, which may include, but is not limited to: (i) interest, late charges, and collection costs on delinquent Assessments; (ii) reimbursement for costs incurred in bringing an Owner or the Owner's Lot or Condominium Unit into compliance with the Documents; (iii) fines for violations of the Documents; (iv) transfer-related fees and resale certificate fees; (v) fees for estoppel letters and project documents; (vi) insurance deductibles; (vii) reimbursement for damage or waste caused by willful or negligent acts of the Owner, the Owner's guests, invitees or Occupants of the Owner's Lot or Condominium Unit; (viii) common expenses that benefit fewer than all of the Lots or Condominium Units, which may be assessed according to benefit received; (ix) fees or charges levied against the Association on a per-Lot or per-Condominium Unit basis; (x) "pass through" expenses for services to Lots or Condominium Units provided through the Association and which are paid by each Lot or Condominium Unit according to benefit received; and (xi) any Club Assessments paid by the Association to the Club Owner.

7.8 Working Capital Assessment. Each Owner, other than Declarant, will pay a one-time working capital assessment (the "**Working Capital Assessment**") to the Association in such amount, if any, as may be determined by the Declarant, until expiration or termination of the Development Period, and the Board thereafter. The Working Capital Assessment hereunder will be due and payable to the Association by the transferee immediately upon each transfer of title to the Lot or Condominium Unit, including upon transfer of title from one Owner of such Lot or Condominium Unit to any subsequent purchaser or transferee thereof. Such Working Capital Assessment need not be uniform among all Lots or Condominium Units, and the Declarant or the Board, as applicable, is expressly authorized to establish Working Capital Assessments of varying amounts depending on the size, use and general character of the Lots or Condominium Units. The Working Capital Assessment may be used to discharge operating expenses or capital expenses, as determined from time to time by the Board. The levy of any Working Capital Assessment will be effective only upon the Recordation of a written notice, signed by the Declarant or a duly authorized officer of the Association, setting forth the amount of the Working Capital Assessment and the Lots or Condominium Units to which it applies.

Notwithstanding the foregoing provision, the following transfers will not be subject to the Working Capital Assessment: (a) foreclosure of a deed of trust lien, tax lien, or the Association's Assessment lien; (b) transfer to, from, or by the Association; (c) voluntary transfer by an Owner to one or more co-owners, or to the Owner's spouse, child, or parent; and (d) transfer to the Declarant. In the event of any dispute regarding the application of the Working Capital Assessment to a particular Owner, Declarant, until expiration or termination of the Development Period, will determine application of an exemption in its sole and absolute discretion. The Working Capital Assessment will be in addition to, not in lieu of, any other Assessments levied in accordance with this *Article 7* and will not be considered an advance payment of such Assessments. The Declarant during the Development Period, and thereafter the Board, will have the power to waive the payment of any Working Capital Assessment attributable to a Lot or Condominium Unit (or all Lots and Condominium Units) by the Recordation of a waiver notice or in the Notice of Applicability, which waiver may be temporary or permanent.

7.9 Amount of Assessment.

7.9.1 Assessments to be Levied. The Board shall levy Assessments against each Assessment Unit (defined in *Section 7.9.2* below). Unless otherwise provided in this Covenant, Assessments levied pursuant to *Section 7.3* and *Section 7.4* shall be levied uniformly against each Assessment Unit. Special Common Area Assessments levied pursuant to *Section 7.5* shall be levied uniformly against each Assessment Unit allocated to a Lot or Condominium Unit that has been assigned the obligation to pay Special Common Area Assessments for a specified Special Common Area. Service Area Assessments levied pursuant to *Section 7.6* shall be levied (i) equally among Lots and/or Condominium Units within the Service Area, (ii) based on Assessment Units allocated to the Lots and/or Condominium Units within the Service Area, or (iii) based on the benefit received among all Lots and/or Condominium Units within the Service Area as reasonably determined by the Board.

7.9.2 **Assessment Unit.** Each Lot shall constitute one "Assessment Unit" unless otherwise provided in *Section 7.9.3*. Unless otherwise specified in a Notice of Applicability, the number of Assessment Units (or fraction thereof) allocated to each Condominium Unit shall be determined annually by the Board, based on the relative assessments imposed by the applicable condominium association, as more particularly described below:

(i) *Notice; Budget.* Prior to November 1st of each calendar year, the condominium association shall deliver to the Board a copy of the approved budget for the condominium association for the upcoming year, along with the total amount of annual regular assessments to be levied against each Condominium Unit for the upcoming year. Using such information, the Board shall determine the number of Assessment Units to be allocated per Condominium Unit so that the amount of Regular Assessments payable by each Condominium Unit, PLUS the amount of regular assessments payable by such Condominium Unit to the condominium association equals the total Regular Assessments payable by the Owner of a Lot for the same year. The intent of this allocation methodology is for each Owner of a Condominium Unit to pay, in the aggregate, the same amount of assessments as a Lot, subject to the cap set forth hereinbelow. The Association may round the calculated Assessment Units for Condominium Units to the nearest one-tenth and make minor adjustments as necessary to ensure administrative practicality and equitable treatment among all Owners, as determined by the Board.

For example, and only for illustrative purposes, if the annual Regular Assessment attributable to one (1) Assessment Unit or Lot is equal to \$3,600.00, and the annual regular assessment levied by the condominium association for each Condominium Unit equals \$360.00, then each Condominium Unit is allocated 0.90 Assessment Units, and pays \$3,240 in annual Regular Assessments (which may be collected by the condominium association on behalf of the Association in accordance with *Section 7.1.2* above) and \$360.00 in annual regular assessments to the condominium association.

(ii) *Cap.* Notwithstanding the foregoing, in no event will the Assessment Units allocated to each Condominium Unit be less than 0.60 Assessment Units per Condominium Unit. If the calculation results in an allocation of less than 0.60 Assessment Units per Condominium Unit, then Assessment Units allocated to each Condominium Unit will equal 0.60, and each Condominium Unit will be required to pay Regular Assessments based on the allocation of 0.60 Assessment Units.

(iii) *Notice.* Upon calculating the allocations, the Association shall provide notice to each Condominium Unit Owner with its annual budget and the

number of Assessment Units assigned to such Condominium Unit for the upcoming calendar year.

(iv) *Default.* In the event that the condominium association fails to submit its approved budget and assessment amounts by November 1st, the Association may, in its sole discretion, determine the amount of Assessment Units to be allocated to the Condominium Units for the following year, based on the previous year's budget and Assessment Units, or any other reasonable basis.

(v) *Miscellaneous.* To the extent necessary to give effect to the terms and provisions of this *Section 7.9.2*, Declarant has the right to amend or modify any previously Recorded Notice of Applicability.

7.9.3 Assessment Unit Allocation. Declarant, in Declarant's sole and absolute discretion, may elect to allocate other than one Assessment Unit to a Lot. An allocation of other than one Assessment Unit to a Lot must be made in a Notice of Applicability. Declarant's determination regarding the number of Assessment Units applicable to a Lot pursuant to this *Section 7.9.3* shall be final, binding and conclusive.

7.9.4 Declarant Exemption. Notwithstanding anything in this Covenant to the contrary, no Assessments shall be levied upon Lots or Condominium Units owned by Declarant.

7.9.5 Other Exemptions. Declarant may, in its sole discretion, elect to: (i) exempt any portion of the Development, Lot or Condominium Unit from Assessments; (ii) delay the levy of Assessments against any un-platted, unimproved or improved portion of the Development, Lot or Condominium Unit; or (iii) reduce the levy of Assessments against any un-platted, unimproved or improved portion of the Development, Lot or Condominium Unit. In the event Declarant elects to delay or reduce Assessments pursuant to this *Section 7.9.5*, the duration of the delay or the amount of the reduction shall be set forth in a Recorded instrument. Declarant may terminate, extend or modify any delay or reduction set forth in a previously Recorded instrument by Recording a replacement instrument. Declarant or the Board may also exempt from Assessments any portion of the Development which is dedicated to and accepted by a Governmental Entity.

7.10 Late Charges. At the Board's election, it may require the Owner responsible for any payment not paid by the applicable due date to pay a late charge in such amount as the Board may determine, and the late charge (and any reasonable handling costs) shall be a charge upon the Lot or Condominium Unit owned by such Owner, collectible in the manner as provided for collection of Assessments, including foreclosure of the lien against such Lot or Condominium Unit; provided, however, such charge shall never exceed the maximum charge permitted under Applicable Law.

7.11 Owner's Personal Obligation for Payment of Assessments. Assessments levied as provided for herein will be the personal and individual debt of the Owner of the Lot or Condominium Unit against which are levied such Assessments. No Owner may exempt himself from liability for such Assessments. In the event of default in the payment of any such Assessment, the Owner of the Lot or Condominium Unit will be obligated to pay interest on the amount of the Assessment at the highest rate allowed by applicable usury laws then in effect on the amount of the Assessment from the due date thereof (or if there is no such highest rate, then at the rate of 1½% per month), together with all costs and expenses of collection, including reasonable attorney's fees.

7.12 Assessment Lien and Foreclosure. The payment of all sums assessed in the manner provided in this Article, together with late charges as provided in *Section 7.10* and interest as provided in *Section 7.11* hereof and all costs of collection, including attorney's fees, as herein provided, are secured by the continuing Assessment lien granted to the Association pursuant to *Section 7.1.2* above, and shall bind each Lot and Condominium Unit in the hands of the Owner thereof, and such Owner's heirs, devisees, personal representatives, successors or assigns. The aforesaid lien shall be superior to all other liens and charges against such Lot or Condominium Unit, except only for (i) tax or governmental assessment liens; (ii) all sums secured by a Recorded first mortgage lien or Recorded first deed of trust lien, to the extent such lien secures sums borrowed for the acquisition or improvement of the Lot or Condominium Unit in question; (iii) home equity loans or home equity lines of credit which are secured by a second mortgage lien or Recorded second deed of trust lien, in the case of *subparagraph (ii)* above, such Mortgage was Recorded, before the delinquent Assessment was due; and (iv) all Club Assessments and other charges established and levied by the Club Owner pursuant to the Club Documents, and the lien for such charges established pursuant to the Club Declaration. The Association shall have the power to subordinate the aforesaid Assessment lien to any other lien. Such power shall be entirely discretionary with the Board, and such subordination may be signed by a Board member or officer of the Association. The Association may, at its option and without prejudice to the priority or enforceability of the Assessment lien granted hereunder, prepare a written notice of Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot or Condominium Unit covered by such lien and a description of the Lot or Condominium Unit. Such notice may be signed by an authorized officer of the Association and shall be Recorded. Each Owner, by accepting a deed or ownership interest to a Lot or Condominium Unit subject to this Covenant shall be deemed conclusively to have granted a power of sale to the Association to secure and enforce the Assessment lien granted hereunder. The Assessment liens and rights to foreclosure thereof shall be in addition to and not in substitution of any other rights and remedies the Association may have pursuant to Applicable Law and under this Covenant, including the rights of the Association to institute suit against such Owner personally obligated to pay the Assessment and/or for foreclosure of the aforesaid lien. In any foreclosure proceeding, such Owner shall be required to pay the costs, expenses and reasonable attorney's fees incurred. The Association shall have the power to bid (in cash or by credit against the amount secured by the lien) on the property at foreclosure or other legal sale and to acquire, hold, lease, mortgage,

convey or otherwise deal with the same. Upon the written request of any Mortgagee, the Association shall report to said Mortgagee any unpaid Assessments remaining unpaid for longer than sixty (60) days after the same are due. The lien hereunder shall not be affected by the sale or transfer of any Lot or Condominium Unit; except, however, that in the event of foreclosure of any lien superior to the Assessment lien, the lien for any Assessments that were due and payable before the foreclosure sale shall be extinguished, provided that past-due Assessments shall be paid out of the proceeds of such foreclosure sale only to the extent that funds are available after the satisfaction of the indebtedness secured by the Mortgage. The provisions of the preceding sentence shall not, however, relieve any subsequent Owner (including any Mortgagee or other purchaser at a foreclosure sale) from paying Assessments becoming due and payable after the foreclosure sale. Upon payment of all sums secured by a lien of the type described in this *Section 7.12*, the Association shall upon the request of the Owner, and at such Owner's cost, execute an instrument releasing the lien relating to any lien for which written notice has been Recorded as provided above, except in circumstances in which the Association has already foreclosed such lien. Such release must be signed by an authorized officer of the Association and Recorded. In addition to the lien hereby retained, in the event of nonpayment by any Owner of any Assessment and after the lapse of at least twelve (12) days since such payment was due, the Association may, upon five (5) days' prior written notice (which may run concurrently with such 12-day period) to such Owner, in addition to all other rights and remedies available pursuant to Applicable Law, equity or otherwise, terminate, in such manner as the Board deems appropriate, any utility or cable services, provided through the Association and not paid for directly by an Owner or occupant to the utility or service provider. Such notice shall consist of a separate mailing or hand delivery at least five (5) days prior to a stated date of disconnection, with the title "termination notice" or similar language prominently displayed on the notice. The notice shall include the office or street address where the Owner or the Owner's tenant can make arrangements for payment of the bill and for reconnection of service. Any utility or cable service shall not be disconnected or terminated on a day, or immediately preceding a day, when personnel are not available for the purpose of collection and reconnecting such services. Except as otherwise provided by Applicable Law, the sale or transfer of a Lot or Condominium Unit shall not relieve the Owner of such Lot or Condominium Unit or such Owner's transferee from liability for any Assessments thereafter becoming due or from the lien associated therewith. If an Owner conveys its Lot or Condominium Unit and on the date of such conveyance Assessments against the Lot or Condominium Unit remain unpaid, or said Owner owes other sums or fees under this Covenant to the Association, the Owner shall pay such amounts to the Association out of the sales price of the Lot or Condominium Unit, and such sums shall be paid in preference to any other charges against the Lot or Condominium Unit other than liens superior to the Assessment liens and charges in favor of the State of Texas or a political subdivision thereof for taxes on the Lot or Condominium Unit which are due and unpaid. The Owner conveying such Lot or Condominium Unit shall remain personally liable for all such sums until the same are fully paid, regardless of whether the transferee of the Lot or Condominium Unit also assumes the obligation to pay such amounts. The Board may adopt an administrative transfer fee to cover the administrative

expenses associated with updating the Association's records upon the transfer of a Lot or Condominium Unit to a third party.

7.13 Exempt Property. The following area within the Development shall be exempt from the Assessments provided for in this Article:

- (i) All area dedicated and accepted by a Governmental Entity;
- (ii) The Common Area and the Special Common Area; and
- (iii) Any portion of the Property or Development owned by Declarant.

No portion of the Property shall be subject to the terms and provisions of this Covenant, and no portion of the Property (or any Owner thereof) shall be obligated to pay Assessments hereunder unless and until such Property has been made subject to the terms of this Covenant by the Recording of a Notice of Applicability in accordance with *Section 11.5*.

7.14 Fines and Damages Assessment.

7.14.1 Board Assessment. The Board may assess fines against an Owner for violations of the Documents committed by such Owner, an Occupant or an Owner's or Occupant's guests, agents or invitees pursuant to the *Fine and Enforcement Policy* contained in the Community Manual. Any fine and/or charge for damage levied in accordance with this *Section 7.14* shall be considered an Individual Assessment pursuant to this Covenant. Each day of violation may be considered a separate violation if the violation continues after written notice to the Owner. The Board may assess damage charges against an Owner for pecuniary loss to the Association from property damage or destruction of Common Area, Special Common Area, Service Area or any Improvements caused by the Owner, the Occupant or their guests, agents, or invitees. The Manager shall have authority to send notices to alleged violators, informing them of their violations and asking them to comply with the Documents and/or informing them of potential or probable fines or damage assessments. The Board may from time to time adopt a schedule of fines.

7.14.2 Lien Created. The payment of each fine and/or damage charge levied by the Board against the Owner of a Lot or Condominium Unit is, together with interest as provided in *Section 7.11* hereof and all costs of collection, including attorney's fees as herein provided, secured by the lien granted to the Association pursuant to *Section 7.1.2* of this Covenant. The fine and/or damage charge shall be considered an Assessment for the purpose of this Article and shall be enforced in accordance with the terms and provisions governing the enforcement of Assessments pursuant to this Article.

**ARTICLE 8
ARCHITECTURAL REVIEWER**

8.1 Architectural Control By Declarant. During the Development Period, none of the Association, the Board, or any committee appointed by the Association or Board (no matter how the committee is named) may involve itself with the approval of any Improvements. Until expiration of the Development Period, the Architectural Reviewer for Improvements is Declarant or its designee. No Improvement the Declarant constructs or causes to be constructed shall be subject to the terms and provisions of this Article or approval by the Architectural Reviewer.

8.1.1 Declarant's Rights Reserved. Each Owner, by accepting an interest in or title to a Lot or Condominium Unit, whether or not it is so expressed in the instrument of conveyance, covenants and agrees that during the Development Period no Improvements shall be started or progressed without the prior written approval of the Architectural Reviewer, which approval may be granted or withheld at Declarant's sole discretion. In reviewing and acting on an application for approval, Declarant may act solely in its self-interest and owes no duty to any other person or any organization. Declarant may designate one or more persons from time to time to act on its behalf in reviewing and responding to applications.

8.1.2 Delegation by Declarant. During the Development Period, Declarant may from time to time, but is not obligated to, delegate all or a portion of its reserved rights under this Article to an architectural control committee appointed by the Board or a committee comprised of architects, engineers, or other persons who may or may not be members of the Association. Any such delegation shall be in writing and shall specify the scope of delegated responsibilities. Any such delegation is at all times subject to the unilateral rights of Declarant to: (i) revoke such delegation at any time and reassume jurisdiction over the matters previously delegated until expiration of twenty-four (24) months after the expiration of the Development Period; and (ii) to veto any decision which Declarant in its sole discretion determines to be inappropriate or inadvisable for any reason. The Declarant is not responsible for: (a) errors in or omissions from the plans and specifications submitted to the Declarant; (b) supervising construction for the Owner's compliance with approved plans and specifications; or (c) the compliance of the Owner's plans and specifications with Applicable Law.

8.2 Architectural Control by Association. Until such time as Declarant delegates all or a portion of its reserved rights to the Board, or the Development Period is terminated or expires, the Association has no jurisdiction over architectural matters. On termination or expiration of the Development Period, or earlier if delegated in writing by Declarant, the Association, acting through an architectural control committee (the "ACC") shall assume jurisdiction over architectural control and shall have the powers of the Architectural Reviewer hereunder.

8.2.1 ACC. The ACC shall consist of at least three (3) but no more than seven (7) persons appointed by the Board. Members of the ACC serve at the pleasure of the Board and may be removed and replaced at the Board's discretion. Members of the ACC need not be Owners

or Occupants, and may but need not include architects, engineers, and design professionals whose compensation, if any, may be established from time to time by the Board.

8.2.2 Limits on Liability. The ACC has sole discretion with respect to taste, design, and all standards specified by this Article. The members of the ACC have no liability for the ACC's decisions made in good faith, and which are not arbitrary or capricious. The ACC is not responsible for: (i) errors in or omissions from the plans and specifications submitted to the ACC; (ii) supervising construction for the Owner's compliance with approved plans and specifications; or (iii) the compliance of the Owner's plans and specifications with Applicable Law.

8.2.3 Release. **EACH OWNER, BY ACCEPTING TITLE TO ALL OR ANY PORTION OF THE DEVELOPMENT, HEREBY RELEASES AND HOLDS HARMLESS THE DECLARANT AND ITS AFFILIATES, THE ARCHITECTURAL REVIEWER, THE ASSOCIATION AND THEIR RESPECTIVE OFFICERS, DIRECTORS, COMMITTEE MEMBERS, PARTNERS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ARCHITECTURAL REVIEWER'S ACTS OR ACTIVITIES UNDER THIS COVENANT.**

8.3 Prohibition of Construction, Alteration and Improvement. No Improvement, or any addition, alteration, improvement, installation, modification, redecoration, or reconstruction thereof may occur unless approved in advance by the Architectural Reviewer. The Architectural Reviewer has the right but not the duty to evaluate every aspect of construction, landscaping, and property use that may adversely affect the general value or appearance of the Property or the Development. Unless otherwise provided in the Design Guidelines, an Owner will have the right to modify, alter, repair, decorate, redecorate, or improve the interior of an Improvement located on such Owner's Lot or within such Owner's Condominium Unit, provided that such action is not visible from any other portion of the Development or Property.

8.4 Architectural Approval.

8.4.1 Submission and Approval of Plans and Specifications. Construction plans and specifications or, when an Owner desires solely to plat, re-subdivide or consolidate Lots or Condominium Units, a proposal for such plat, re-subdivision or consolidation, shall be submitted in accordance with the Design Guidelines, if any, or any additional rules adopted by the Architectural Reviewer together, with any review fee which is imposed by the Architectural Reviewer in accordance with *Section 8.4.2*. No plat, re-subdivision or consolidation shall be made, nor any Improvement placed or allowed on any Lot or Condominium Unit, until the plans and specifications and the contractor or builder which the Owner intends to use to construct the proposed Improvement have been approved in writing by the Architectural Reviewer. The Architectural Reviewer may, in reviewing such plans and specifications consider any information that it deems proper; including, without limitation, any permits, environmental impact

statements or percolation tests that may be required by the Architectural Reviewer or any other entity; and harmony of external design and location in relation to surrounding structures, topography, vegetation, and finished grade elevation. The Architectural Reviewer may postpone its review of any plans and specifications submitted for approval pending receipt of any information or material which the Architectural Reviewer, in its sole discretion, may require. Site plans must be approved by the Architectural Reviewer prior to the clearing of any Lot or Condominium Unit, or the construction of any Improvements. The Architectural Reviewer may refuse to approve plans and specifications for proposed Improvements, or for the plat, re-subdivision or consolidation of any Lot or Condominium Unit on any grounds that, in the sole and absolute discretion of the Architectural Reviewer, are deemed sufficient, including, but not limited to, purely aesthetic grounds. Notwithstanding any provision to the contrary in this Covenant, the Architectural Reviewer may issue an approval to Homebuilders or a Residential Developer for the construction of Improvements based on the review and approval of plan types and adopt a procedure which differs from the procedures for review and approval otherwise set forth in this Covenant.

8.4.2 Design Guidelines. The Architectural Reviewer shall have the power, from time to time, to adopt, amend, modify, revoke, or supplement the Design Guidelines which may apply to all or any portion of the Development. In the event of any conflict between the terms and provisions of the Design Guidelines and the terms and provisions of this Covenant, the terms and provisions of this Covenant shall control. In addition, the Architectural Reviewer shall have the power and authority to impose a fee for the review of plans, specifications and other documents and information submitted to it pursuant to the terms of this Covenant. Such charges shall be held by the Architectural Reviewer and used to defray the administrative expenses and any other costs incurred by the Architectural Reviewer in performing its duties hereunder; provided, however, that any excess funds held by the Architectural Reviewer shall be distributed to the Association at the end of each calendar year. The Architectural Reviewer shall not be required to review any plans until a complete submittal package, as required by this Covenant and the Design Guidelines, is assembled and submitted to the Architectural Reviewer. The Architectural Reviewer shall have the authority to adopt such additional or alternate procedural and substantive rules and guidelines not in conflict with this Covenant (including, without limitation, the imposition of any requirements for a compliance deposit, certificates of compliance or completion relating to any Improvement, and the right to approve in advance any contractor selected for the construction of Improvements), as it may deem necessary or appropriate in connection with the performance of its duties hereunder.

8.4.3 Approval of Regulatory Submission Item. Each Owner is further advised that prior to submitting any application, variance or special use permit, plat, drainage plans, building or site plan, expressly including any amendments to a preliminary plan or a development plan (a "**Regulatory Submission Item**") required to be submitted by an Owner to a Governmental Entity for approval or issuance of a permit, as applicable, the Owner must first obtain approval from the Architectural Reviewer of the Regulatory Submission Item (the

"**Preliminary Regulatory Approval**"). Any Preliminary Regulatory Approval granted by the Architectural Reviewer is conditional and no Improvements may be constructed in accordance with the Regulatory Submission Item until the Owner has submitted to the Architectural Reviewer a copy of the Regulatory Submission Item approved by the Governmental Entity and the Architectural Reviewer has issued to the Owner a "Notice to Proceed". In the event of a conflict between the Regulatory Submission Item approved by the Architectural Reviewer and the Regulatory Submission Item approved by the regulatory authority, the Owner will be required to resubmit the Regulatory Submission Item to the Architectural Reviewer for approval. Each Owner acknowledges that no Governmental Entity has the authority to modify the terms and provisions of the Documents applicable to all or any portion of the Development.

8.4.4 Architectural Reviewer Approval of Project Names. Each Owner is advised that the name used to identify the Development Area or any portion thereof for marketing or identification purposes must be approved in advance and in writing by the Architectural Reviewer.

8.4.5 Failure to Act. In the event that any plans and specifications are submitted to the Architectural Reviewer as provided herein, and the Architectural Reviewer fails to either approve or reject such plans and specifications for a period of thirty (30) days following such submission, the plans and specifications shall be deemed disapproved.

8.4.6 Variances. The Architectural Reviewer may grant variances from compliance with any of the provisions of the Documents, when, in the opinion of the Architectural Reviewer, in its sole and absolute discretion, such variance is justified by specific circumstances of a particular case. All variances shall be evidenced in writing and, if Declarant has assigned its rights to the ACC, must be approved by the Declarant until expiration or termination of the Development Period, or otherwise by a Majority of the members of the ACC. The Architectural Reviewer may require that a variance granted by the Architectural Reviewer be Recorded. If a variance is granted, no violation of the covenants, conditions, or restrictions contained in the Documents shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such variance shall not operate to waive or amend any of the terms and provisions of the Documents for any purpose, except as to the particular property and in the particular instance covered by the variance, and such variance shall not be considered to establish a precedent for any future waiver, modification, or amendment of the terms and provisions of the Documents.

8.4.7 Duration of Approval. The approval of the Architectural Reviewer of any final plans and specifications, and any variances granted by the Architectural Reviewer shall be valid for a period of one (1) year only. If construction in accordance with such plans and specifications or variance is not commenced within such one (1) year period and diligently prosecuted to completion within either: (i) two (2) years after issuance of approval of such plans and specifications; or (ii) such other period thereafter as determined by the Architectural

Reviewer, in its sole and absolute discretion, the Owner shall be required to resubmit such final plans and specifications or request for a variance to the Architectural Reviewer, and the Architectural Reviewer shall have the authority to re-evaluate such plans and specifications in accordance with this *Section 8.4.7* and may, in addition, consider any change in circumstances which may have occurred since the time of the original approval.

8.4.8 No Waiver of Future Approvals. The approval of the Architectural Reviewer to any plans or specifications for any work done or proposed in connection with any matter requiring the approval or consent of the Architectural Reviewer shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any plans and specifications on any other matter, subsequently or additionally submitted for approval by the same or a different person, nor shall such approval or consent be deemed to establish a precedent for future approvals by the Architectural Reviewer.

8.5 Non-Liability of the Architectural Reviewer. NEITHER THE DECLARANT, THE BOARD, NOR THE ARCHITECTURAL REVIEWER WILL BE LIABLE TO ANY OWNER OR TO ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR INJURY ARISING OUT OF THE PERFORMANCE OF THE ARCHITECTURAL REVIEWER UNDER THIS COVENANT.

ARTICLE 9 MORTGAGE PROVISIONS

The following provisions are for the benefit of holders, insurers and guarantors of first Mortgages on Lots or Condominium Units within the Development. The provisions of this Article apply to the Covenant and the Bylaws of the Association.

9.1 Notice of Action. An institutional holder, insurer, or guarantor of a first Mortgage which provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Lot or Condominium Unit to which its Mortgage relates (thereby becoming an "**Eligible Mortgage Holder**")), shall be entitled to timely written notice of:

- (i) Any condemnation loss or any casualty loss which affects a material portion of the Development or which affects any Lot or Condominium Unit on which there is an eligible Mortgage held, insured, or guaranteed by such Eligible Mortgage Holder; or
- (ii) Any delinquency in the payment of assessments or charges owed for a Lot or Condominium Unit subject to the Mortgage of such Eligible Mortgage Holder, where such delinquency has continued for a period of sixty (60) days, or any other violation of the Documents relating to such Lot or Condominium Unit or the Owner or Occupant which is not cured within sixty (60) days after notice by the Association to the Owner of such violation; or

(iii) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

9.2 **Examination of Books.** The Association shall permit Mortgagees to examine the books and records of the Association during normal business hours.

9.3 **Taxes, Assessments and Charges.** All taxes, assessments and charges that may become liens prior to first lien mortgages under Applicable Law shall relate only to the individual Lots or Condominium Units and not to any other portion of the Development.

ARTICLE 10 EASEMENTS

10.1 **Right of Ingress and Egress.** Declarant, its agents, employees, successors, and assigns shall have a right of ingress and egress over and the right of access to the Common Area or Special Common Area to the extent necessary to use the Common Area or Special Common Area and the right to such other temporary uses of the Common Area or Special Common Area as may be required or reasonably desirable (as determined by Declarant in its sole discretion) in connection with construction and development of the Property or the Development. The Development shall be subject to a perpetual non-exclusive easement for the installation and maintenance of, including the right to read, meters, service or repair lines and equipment, and to do any work necessary to properly maintain and furnish the Community Services and Systems and the facilities pertinent and necessary to the same, which easement shall run in favor of Declarant. Declarant shall have the right, but not the obligation, to install and provide the Community Services and Systems and to provide the services available through the Community Services and Systems to any Lots or Condominium Units within the Development. Neither the Association, nor any Owner, shall have any interest therein. Such services may be provided either: (i) directly through the Association and paid for as part of the Assessments; or (ii) directly by Declarant, any affiliate of Declarant, or a third party, to the Owner who receives such services or the Association. The Community Services and Systems, including any fees or royalties paid or revenue generated therefrom, shall be the property of Declarant unless transferred by Declarant, whereupon any proceeds of such transfer shall belong to Declarant. Declarant shall have the right but not the obligation to convey, transfer, sell or assign all or any portion of the Community Services and Systems or all or any portion of the rights, duties or obligations with respect thereto, to the Association or to any Person. The rights of Declarant with respect to the Community Services and Systems installed by Declarant and the services provided through such Community Services and Systems are exclusive, and no other person may provide such services through the Community Services and Systems installed by Declarant without the prior written consent of Declarant. In recognition of the fact that interruptions in the Community Services and Systems services will occur from time to time, no person or entity described above shall in any manner be liable, and no user of the Community Services and Systems shall be entitled to any refund, rebate, discount or offset in applicable fees, for any interruption in Community Services

and Systems services, regardless of whether or not same is caused by reasons within the control of the then-provider of such services.

10.2 Reserved Easements. All dedications, limitations, restrictions and reservations shown on any Plat and all grants and dedications of easements, rights-of-way, restrictions and related rights made by Declarant or any third-party prior to any portion of the Property becoming subject to this Covenant are incorporated herein by reference and made a part of this Covenant for all purposes as if fully set forth herein, and shall be construed as being adopted in each and every contract, deed or conveyance executed or to be executed by or on behalf of Declarant. Declarant reserves the right to relocate, make changes in, and additions to said easements, rights-of-way, dedications, limitations, reservations and grants for the purpose of developing the Property and the Development.

10.3 Roadway and Utility Easements. Declarant hereby reserves for itself and its assigns a perpetual non-exclusive easement over and across the Development for: (i) the installation, operation and maintenance of utilities and associated infrastructure to serve the Development, the Property, and any other property owned by Declarant; (ii) the installation, operation and maintenance of cable lines and associated infrastructure for sending and receiving data and/or other electronic signals, security and similar services to serve the Development, the Property, and any other property owned by Declarant; (iii) the installation, operation and maintenance of, walkways, pathways and trails, drainage systems, street lights and signage to serve the Development, the Property, and any other property owned by Declarant; and (iv) the installation, location, relocation, construction, erection and maintenance of any streets, roadways, or other areas to serve the Development, the Property, and any other property owned by Declarant. Declarant will be entitled to unilaterally assign the easements reserved hereunder to the MUD or any third party who owns, operates or maintains the facilities and Improvements described in (i) through (iv) of this Section. In addition, Declarant may designate all or any portion of the easements or facilities constructed therein as Common Area, Special Common Area, or a Service Area.

10.4 Entry and Fencing Easement. Declarant reserves for itself and the Association, an easement over and across the Development for the installation, maintenance, repair or replacement of fencing and subdivision entry facilities which serves the Development, the Property, and any other property owned by Declarant. Declarant will have the right, from time to time, to Record a written notice which identifies the fencing and/or subdivision entry facilities to which the easement reserved hereunder applies. Declarant may designate all or any portion of the fencing and/or subdivision entry facilities as Common Area, Special Common Area, or a Service Area.

10.5 Landscape, Monumentation and Signage Easement. Declarant hereby reserves an easement over and across the Development for the installation, maintenance, repair or replacement of landscaping, monumentation and signage which serves the Development, the

Property, and any other property owned by Declarant. Declarant will have the right, from time to time, to Record a written notice which identifies the landscaping, monumentation, or signage to which the easement reserved hereunder applies. Declarant may designate all or any portion of the landscaping, monumentation, or signage as Common Area, Special Common Area, or a Service Area.

10.6 Easement for Special Events. The Declarant reserves for itself and the Association, and their successors, assigns, and designees, a perpetual, nonexclusive easement over the Common Area, for the purpose of conducting educational, cultural, artistic, musical and entertainment activities; and other activities of general community interest at such locations and times as the Declarant or the Association, in their reasonable discretion, deem appropriate. Members of the public may have access to such events. Each Owner, by accepting a deed or other instrument conveying any interest in a Lot or Condominium Unit subject to this Covenant acknowledges and agrees that the exercise of this easement may result in a temporary increase in traffic, noise, gathering of crowds, and related inconveniences, and each Owner agrees on behalf of itself and the Occupants to take no action, legal or otherwise, which would interfere with the exercise of such easement.

10.7 Solar Equipment Easement. Declarant hereby reserves for itself and the Association, and their successors, assigns, and designees, a perpetual, nonexclusive easement over and across the Development for the installation, maintenance, repair or replacement of a rooftop solar electric generating system designed to deliver electric power to a particular residence built on a Lot, Condominium Unit, Common Area, or Special Common Area. Declarant will have the right, from time to time, to Record a written notice which identifies the solar equipment to which the easement reserved hereunder applies. Declarant will be entitled to unilaterally assign the easements reserved hereunder to any third party.

10.8 Cellular Tower and Telecommunications Easement. Declarant hereby grants and reserves for itself and its assigns, an exclusive, perpetual and irrevocable easement, license and right to use any portion of the Common Area or Special Common Area, or any portion of the Property or the Development which Declarant intends to designate as Common Area or Special Common Area (the "**CTT Easement Area**") for the construction, installation, use, maintenance, repair, replacement, improvement, removal and operation of CTT Equipment. Declarant or its assignee will have the right, from time to time, but no obligation, to Record a written notice which identifies the portion of the Common Area or Special Common Area to which the CTT Easement Area pertains, and Declarant, or its assignee, may fence, install landscaping, or otherwise install improvements restricting access to the CTT Easement Area identified in such Recorded instrument. Neither the Association, nor any Owner other than the Declarant or its assignee hereunder, may use the CTT Easement Area in any manner which interferes with operation of the CTT Equipment. Declarant hereby reserves for itself and its assigns the right to use, sell, lease or assign all or any portion of the CTT Easement Area, for the construction, installation, use, maintenance, repair, replacement, improvement, removal and operation of the CTT Equipment.

In addition, Declarant hereby reserves for itself and its assigns a non-exclusive, perpetual and irrevocable easement over the Property and the Development for access to and from the CTT Easement Area and to construct, install, use, maintain, repair, replace, improve, remove, and operate, or allow others to do the same, any utility lines servicing the CTT Equipment. Declarant also reserves for itself and its assigns the right to select and contract with any third-party for the construction, installation, use, maintenance, repair, replacement, improvement, removal and operation of the CTT Equipment and to provide any telecommunication, cellular, video or digital service associated therewith. Declarant shall have and hereby reserves for itself and its assigns the sole and exclusive right to collect and retain any and all income and/or proceeds received from or in connection with use or services provided by the CTT Equipment and the rights described in this *Section 10.8*. The rights reserved to Declarant under this *Section 10.8* shall benefit only Declarant and its assigns, and no other Owner or successor-in-title to any portion of the Property or the Development shall have any rights to income derived from or in connection with the rights and easements granted in this *Section 10.8*, except as expressly approved in writing by Declarant. **EACH OWNER AND OCCUPANT HEREBY RELEASES AND HOLDS HARMLESS THE DECLARANT AND ITS ASSIGNS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF ANY ACTS, ACTIONS OR ACTIVITIES PERMITTED BY DECLARANT ITS ASSIGNS UNDER THIS SECTION 10.8 (INCLUDING ANY COST, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING OUT OF NEGLIGENCE IN CONNECTION THEREWITH), EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING BY REASON OF GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. "GROSS NEGLIGENCE" DOES NOT INCLUDE SIMPLE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.** The provisions of this *Section 10.8* shall not be amended without the written and acknowledged consent of Declarant or the assignee of all or any portion of Declarant's rights hereunder.

10.9 Easement for Maintenance of Drainage Facilities. Declarant may grant easements for the benefit of a Governmental Entity or third party for the inspection, monitoring, operation, maintenance, replacement, upgrade and repair, as applicable, of certain drainage facilities that may be constructed to convey and receive stormwater runoff within the Development. From time to time, Declarant may impress upon certain portions of the Development, for the benefit of the MUD or another Governmental Entity or third party, additional easements for the inspection, monitoring, operation, maintenance, replacement, upgrade and repair, as applicable, of other drainage facilities that convey and receive stormwater runoff as set forth in one or more declarations, agreements or other written instruments as the same shall be recorded in the Official Public Records of Travis County, Texas.

10.10 Easement to Inspect and Right to Correct. For a period of ten (10) years after the expiration of the Development Period, Declarant reserves for itself and for the Declarant's architect, engineer, other design professionals, builder and general contractor the right, but not

the duty, to inspect, monitor, test, redesign, correct and relocate any structure, Improvement or condition that may exist on any portion of the Property, including the Lots and Condominium Units, and a perpetual nonexclusive easement of access throughout the Property to the extent reasonably necessary to exercise this right. The party exercising such rights will promptly repair, at its sole expense, any damage resulting from the exercise of this right. By way of illustration but not limitation, relocation of mechanical or electrical facilities may be warranted by a change of circumstance, imprecise siting of the original facilities, or the desire or necessity to comply more fully with Applicable Law. This *Section 10.10* may not be construed to create a duty for Declarant, the Association, or any architect, engineer, other design professionals, builder or general contractor, and may not be amended without Declarant's advanced written consent. In support of this reservation, each Owner, by accepting an interest in or title to a Lot or Condominium Unit, hereby grants to Declarant an easement of access and entry over, across, under, and through the Property, including without limitation, all Common Areas, Special Common Areas, and the Owner's Lot or Condominium Unit, and all Improvements thereon for the purposes contained in this *Section 10.10*.

10.11 Joint Use Access Easement. Declarant hereby reserves for the benefit of all Owners and all police, sheriff, fire protection, ambulance and other similar emergency services or persons a perpetual, non-exclusive easement over and across the Private Roads for vehicular ingress and egress to and from each Lot and Condominium Unit.

ARTICLE 11 DEVELOPMENT RIGHTS

11.1 Development. It is contemplated that the Development shall be developed pursuant to a plan, which, from time to time, the Declarant may amend or modify in its sole and absolute discretion. Declarant reserves the right, but shall not be obligated, to designate Development Areas, and to create and/or designate Lots, Condominium Units, Voting Groups, Common Area, Special Common Area, and Service Areas and to subdivide all or any portion of the Development and Property. As each area is conveyed, developed or dedicated, Declarant may Record one or more Development Area Declarations and designate the use, classification and such additional covenants, conditions and restrictions as Declarant may deem appropriate for that area. Any Development Area Declaration may provide its own procedure for the amendment thereof.

11.2 Special Declarant Rights. Notwithstanding any provision of this Covenant to the contrary, at all times, Declarant will have the right and privilege: (a) to erect and maintain advertising signs (illuminated or non-illuminated), sales flags, other sales devices and banners for the purpose of aiding the sale of Lots and Condominium Units in the Development; (b) to maintain Improvements upon Lots, including the Common Area and Special Common Area, as sales, model, management, business and construction offices or visitor centers at no charge; and (c) to maintain and locate construction trailers and construction tools and equipment within the

Development. The construction, placement or maintenance of Improvements by Declarant will not be considered a nuisance.

11.3 Addition of Land. Declarant may, at any time and from time to time, add additional lands to the Property and, upon the Recording of a notice of addition of land, such land shall be considered part of the Property for purposes of this Covenant, and upon the further Recording of a Notice of Applicability meeting the requirements of *Section 11.5*, such added lands shall be considered part of the Development subject to this Covenant and the terms, covenants, conditions, restrictions and obligations set forth in this Covenant, and the rights, privileges, duties and liabilities of the persons subject to this Covenant shall be the same with respect to such added land as with respect to the lands originally covered by this Covenant. Such added land need not be contiguous to the Property. To add lands to the Property, Declarant shall be required only to Record, a notice of addition of land (which notice may be contained within any Development Area Declaration affecting such land) containing the following provisions:

- (i) A reference to this Covenant, which reference shall state the document number or volume and page wherein this Covenant is Recorded;
- (ii) A statement that such land shall be considered Property for purposes of this Covenant, and that upon the further Recording of a Notice of Applicability meeting the requirements of *Section 11.5* of this Covenant, all of the terms, covenants, conditions, restrictions and obligations of this Covenant shall apply to the added land; and
- (iii) A legal description of the added land.

11.4 Withdrawal of Land. Declarant may, at any time and from time to time, reduce or withdraw from the Property, including the Development, and remove and exclude from the burden of this Covenant and the jurisdiction of the Association any portion of the Development. Upon any such withdrawal and removal, this Covenant and the covenants conditions, restrictions and obligations set forth herein shall no longer apply to the portion of the Development withdrawn. To withdraw lands from the Property or the Development hereunder, Declarant shall be required only to Record a notice of withdrawal of land containing the following provisions:

- (i) A reference to this Covenant, which reference shall state the document number or volume and page number wherein this Covenant is Recorded;
- (ii) A statement that the provisions of this Covenant shall no longer apply to the withdrawn land; and
- (iii) A legal description of the withdrawn land.

11.5 Notice of Applicability. Upon Recording, this Covenant serves to provide notice that at any time, and from time to time, Declarant, and Declarant only, may subject all or any portion of the Property to the terms, covenants, conditions, restrictions and obligations of this Covenant, any applicable Development Area Declaration and the Community Enhancement

Covenant. This Covenant, any applicable Development Area Declaration and the Community Enhancement Covenant shall apply to and burden a portion or portions of the Property upon the Recording of a Notice of Applicability describing such applicable portion of the Property by a legally sufficient description and expressly providing that such Property shall be considered a part of the Development and shall be subject to the terms, covenants conditions, restrictions and obligations of this Covenant, any applicable Development Area Declaration and the Community Enhancement Covenant. To be effective, a Notice of Applicability must be executed by Declarant, and the property included in the Notice of Applicability need not be owned by the Declarant if included within the Property. Declarant may also cause a Notice of Applicability to be Recorded covering a portion of the Property for the purpose of encumbering such Property with this Covenant and any Development Area Declaration previously Recorded by Declarant (which Notice of Applicability may amend, modify or supplement the restrictions, set forth in the Development Area Declaration, which shall apply to such Property). To make the terms and provisions of this Covenant applicable to a portion of the Property, Declarant shall be required only to cause a Notice of Applicability to be Recorded containing the following provisions:

- (i) A reference to this Covenant, which reference shall state the document number or volume and page number wherein this Covenant is Recorded;
- (ii) A reference, if applicable, to the Recorded Development Area Declaration which will apply to such portion of the Property (with any amendment, modification, or supplementation of the restrictions set forth in the Development Area Declaration which shall apply to such portion of the Property);
- (iii) A reference, if applicable, to the Community Enhancement Covenant which will apply to such portion of the Property (with any amendment, modification, or supplementation of the restrictions set forth in the Community Enhancement Covenant which shall apply to such portion of the Property);
- (iv) A statement that all of the provisions of this Covenant shall apply to such portion of the Property;
- (v) A legal description of such portion of the Property; and
- (vi) If applicable, a description of any Special Common Area or Service Area which benefits the Property and the beneficiaries of such Special Common Area or Service Area.

NOTICE TO TITLE COMPANY

NO PORTION OF THE PROPERTY IS SUBJECT TO THE TERMS AND PROVISIONS OF THIS COVENANT AND THIS COVENANT DOES NOT APPLY TO ANY PORTION OF THE PROPERTY UNLESS A NOTICE OF APPLICABILITY DESCRIBING SUCH PROPERTY AND REFERENCING THIS COVENANT HAS BEEN RECORDED.

11.6 Assignment of Declarant's Rights. Notwithstanding any provision in this Covenant to the contrary, Declarant may, by written instrument, assign, in whole or in part, any of its privileges, exemptions, rights, reservations and duties under this Covenant to any person or entity and may permit the participation, in whole, in part, exclusively, or non-exclusively, by any other person or entity in any of its privileges, exemptions, rights, reservations and duties hereunder.

11.7 Notice of Plat Recordation. Declarant may, at any time and from time to time, Record a notice of plat recordation (a "**Notice of Plat Recordation**"). A Notice of Plat Recordation is Recorded for the purpose of more clearly identifying specific Lots subject to the terms and provisions of this Covenant after portions of the Property are made subject to a Plat. Unless otherwise provided in the Notice of Plat Recordation, portions of the Property included in the Plat identified in the Notice of Plat Recordation, but not shown as a residential Lot on such Plat, shall be automatically withdrawn from the terms and provisions of this Covenant (without the necessity of complying with the withdrawal provisions set forth in this Section). Declarant shall have no obligation to Record a Notice of Plat Recordation and failure to Record a Notice of Plat Recordation shall in no event remove any portion of the Property from the terms and provisions of this Covenant.

ARTICLE 12 GENERAL PROVISIONS

12.1 Term. Upon the Recording of a Notice of Applicability pursuant to *Section 11.5*, the terms, covenants, conditions, restrictions, easements, charges, and liens set out in this Covenant shall run with and bind the portion of the Property described in such notice, and shall inure to the benefit of and be enforceable by the Club Owner, the Association, and every Owner, including Declarant, and their respective legal representatives, heirs, successors, and assigns, for a term beginning on the date this Covenant is Recorded, and continuing through and including January 1, 2097, after which time this Covenant shall be automatically extended for successive periods of ten (10) years unless a change (the word "change" meaning a termination, or change of term or renewal term) is approved by Members entitled to cast at least sixty-seven percent (67%) of the total number of votes of the Association. The foregoing sentence shall in no way be interpreted to mean sixty-seven percent (67%) of a quorum as established pursuant to the Bylaws. Notwithstanding any provision in this *Section 12.1* to the contrary, if any provision of this Covenant would be unlawful, void, or voidable by reason of any Applicable Law restricting the period of time that covenants on land may be enforced, such provision will expire twenty-one (21) years after the death of the last survivor of the now living, descendants of Charles III, King of England.

12.2 Eminent Domain. In the event it becomes necessary for any Governmental Entity to acquire all or any part of the Common Area or Special Common Area for any public purpose during the period this Covenant is in effect, the Board is hereby authorized to negotiate with such

Governmental Entity for such acquisition and to execute instruments necessary for that purpose. Should acquisitions by eminent domain become necessary, only the Board need be made a party, and in any event the proceeds received will be held by the Association for the benefit of the Owners. In the event any proceeds attributable to acquisition of Common Area are paid to Owners, such payments will be allocated on the basis of Assessment Units and paid jointly to the Owners and the holders of first Mortgages or deeds of trust on the respective Lot or Condominium Unit. In the event any proceeds attributable to acquisition of Special Common Area are paid to Owners who have been assigned the obligation to pay Special Common Area Assessments attributable to such Special Common Area, such payment will be allocated on the basis of Assessment Units and paid jointly to such Owners and the holders of first Mortgages or deeds of trust on the respective Lot or Condominium Unit.

12.3 Amendment. This Covenant may be amended or terminated by the Recording of an instrument executed and acknowledged by: (i) Declarant acting alone; or (ii) by the president and secretary of the Association setting forth the amendment and certifying that such amendment has been approved by Declarant (until expiration or termination of the Development Period) and Members entitled to cast at least sixty-seven percent (67%) of the total number of votes of the Association. The foregoing sentence shall in no way be interpreted to mean sixty-seven percent (67%) of a quorum as established pursuant to the Bylaws. No amendment will be effective without the written consent of Declarant during the Development Period.

12.4 Enforcement. The Association, the Declarant, and the Club Owner will have the right to enforce, by a proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, charges and other terms now or hereafter imposed by the provisions of this Covenant. Failure to enforce any right, provision, covenant, or condition granted by this Covenant will not constitute a waiver of the right to enforce such right, provision, covenants or condition in the future. Failure of the Declarant or the Association to enforce the terms and provisions of the Documents shall in no event give rise to any claim or liability against the Declarant, the Association, or any of their partners, directors, officers, or agents. **EACH OWNER, BY ACCEPTING TITLE TO ALL OR ANY PORTION OF THE DEVELOPMENT, HEREBY RELEASES AND SHALL HOLD HARMLESS EACH OF THE DECLARANT, THE ASSOCIATION, AND THEIR PARTNERS, DIRECTORS, OFFICERS, OR AGENTS FROM AND AGAINST ANY DAMAGES, CLAIMS OR LIABILITY ASSOCIATED WITH THE FAILURE OF THE DECLARANT OR THE ASSOCIATION TO ENFORCE THE TERMS AND PROVISIONS OF THE DOCUMENTS.**

12.5 Declarant Fine Authority. During the Development Period, Declarant may assess fines against an Owner for violations of the Documents which have been committed by an Owner, an Occupant, or any guests, agents, family members, or invitees of an Owner or Occupant. The Declarant uses fines to discourage violations of the Documents, and to encourage compliance when a violation occurs - not to punish violators or generate revenue for the Declarant. Although a fine may be an effective and efficient remedy for certain types of violations or violators, it is

only one of several methods available to the Declarant for enforcing the Documents. The Declarant may from time to time adopt a schedule of fines. If the violation of the Documents is ongoing or continuous, the fine may be assessed on a periodic basis (such as daily, monthly, or quarterly). If the violation is not ongoing, but is instead sporadic or periodic, the fine may be levied on a per occurrence basis. An Owner is liable for fines levied by the Declarant for violations of the Documents by the Owner, an Occupant, or any guests, agents, family members or invitees of the Owner or Occupant. Regardless of who commits the violation, the Declarant will direct its communications to the Owner, although the Declarant may send copies of its notices to the Occupants.

12.6 No Warranty of Enforceability. Declarant makes no warranty or representation as to the present or future validity or enforceability of any restrictive covenants, terms, or provisions contained in the Covenant. Any Owner acquiring a Lot or Condominium Unit in reliance on one or more of such restrictive covenants, terms, or provisions shall assume all risks of the validity and enforceability thereof and, by acquiring the Lot or Condominium Unit, agrees to hold Declarant harmless therefrom.

12.7 Higher Authority. The terms and provisions of this Covenant are subordinate to Applicable Law. Generally, the terms and provisions of this Covenant are enforceable to the extent they do not violate or conflict with Applicable Law.

12.8 Severability. If any provision of this Covenant is held to be invalid by any court of competent jurisdiction, such invalidity shall not affect the validity of any other provision of this Covenant, or, to the extent permitted by Applicable Law, the validity of such provision as applied to any other person or entity.

12.9 Conflicts. To the extent of any conflict between the terms and provisions of this Covenant and the Certificate, Bylaws, or any Rules, the terms and provisions of this Covenant shall apply.

12.10 Gender. Whenever the context so requires, all words herein in the male gender shall be deemed to include the female or neuter gender, all singular words shall include the plural, and all plural words shall include the singular.

12.11 Acceptance by Grantees. Each grantee of a Lot, Condominium Unit, or other real property interest in the Development, by the acceptance of a deed of conveyance, and each subsequent purchaser, accepts the same subject to all terms, restrictions, conditions, covenants, reservations, easements, liens and charges, and the jurisdiction rights and powers created or reserved by this Covenant or to whom this Covenant is subject, and all rights, benefits and privileges of every character hereby granted, created, reserved or declared. Furthermore, each grantee agrees that no assignee or successor to Declarant hereunder will have any liability for any act or omission of Declarant which occurred prior to the effective date of any such succession or assignment. All impositions and obligations hereby imposed will constitute covenants running

with the land within the Development, and will bind any person having at any time any interest or estate in the Development, and will inure to the benefit of each Owner in like manner as though the provisions of this Covenant were recited and stipulated at length in each and every deed of conveyance.

12.12 Damage and Destruction.

12.12.1 Claims. Promptly after damage or destruction by fire or other casualty to all or any part of the Common Area or Special Common Area covered by insurance, the Board, or its duly authorized agent, shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair of the damage. Repair, as used in this *Section 12.12*, means repairing or restoring the Common Area or Special Common Area to substantially the same condition as existed prior to the fire or other casualty.

12.12.2 Repair Obligations. Any damage to or destruction of the Common Area or Special Common Area shall be repaired unless a Majority of the Board decides within sixty (60) days after the casualty not to repair. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available.

12.12.3 Restoration. In the event that the Board should determine that the damage or destruction of the Common Area or Special Common Area shall not be repaired and does not authorize alternative Improvements, then the Association shall restore the affected portion of the Common Area or Special Common Area to its natural state and maintain it as an undeveloped portion of the Common Area in a neat and attractive condition.

12.12.4 Special Assessment for Common Area. If insurance proceeds are paid to restore or repair any damaged or destroyed Common Area, and such proceeds are not sufficient to defray the cost of such repair or restoration, the Board shall levy a Special Assessment, as provided in *Article 7*, against all Owners. Additional Assessments may be made in like manner at any time during or following the completion of any repair.

12.12.5 Special Assessment for Special Common Area. If insurance proceeds are paid to restore or repair any damaged or destroyed Special Common Area, and such proceeds are not sufficient to defray the cost of such repair or restoration, the Board shall levy a Special Assessment, as provided in *Article 7*, against all Owners who have been assigned the obligation to pay Special Common Area Assessments attributable to such Special Common Area. Additional Assessments may be made in like manner at any time during or following the completion of any repair.

12.12.6 Proceeds Payable to Owners. In the event that any proceeds of insurance policies are paid to Owners as a result of any damage or destruction to any Common Area, such payments shall be allocated based on Assessment Units and paid jointly to the Owners and the holders of first Mortgages or deeds of trust on their Lots or Condominium Units.

12.12.7 Proceeds Payable to Owners Responsible for Special Common Area. In the event that any proceeds of insurance policies are paid to Owners as a result of any damage or destruction to Special Common Area, such payments shall be allocated based on Assessment Units and shall be paid jointly to the Owners who have been assigned the obligation to pay Special Common Area Assessments attributable to such Special Common Area and the holders of first Mortgages or deeds of trust on their Lots or Condominium Units.

12.13 No Partition. Except as may be permitted in this Covenant or amendments hereto, no physical partition of the Common Area or Special Common Area or any part thereof shall be permitted, nor shall any person acquiring any interest in the Development or any part thereof seek any such judicial partition unless all or the portion of the Development in question has been removed from the provisions of this Covenant pursuant to *Section 11.4* above. This *Section 12.13* shall not be construed to prohibit the Board from acquiring and disposing of tangible personal property or from acquiring title to real property that may or may not be subject to this Covenant.

12.14 Notices. Any notice permitted or required to be given to any person by this Covenant shall be in writing and shall be considered as properly given if (a) mailed by first class United States mail, postage prepaid; (b) by delivering same in person to the intended addressee; (c) by delivery to an independent third party commercial delivery service for same day or next day delivery and providing for evidence of receipt at the office of the intended addressee; or (d) by prepaid telegram, telex, electronic mail, or facsimile to the addressee and providing for evidence of receipt at the office of the intended addressee. Notice so mailed shall be effective upon its deposit with the United States Postal Service or any successor thereto; notice sent by such a commercial delivery service shall be effective upon delivery to such commercial delivery service; notice given by personal delivery shall be effective only if and when received by the addressee; and notice given by other means shall be effective when received at the office or designated place or machine/equipment of the intended addressee. For purposes of notice the address of each Owner shall be the address of the Lot or Condominium Unit or such other address as provided by the Owner to the Association, and the address of each Mortgagee shall be the address provided to the Association; provided, however, that any party shall have the right to change its address for notice hereunder to any other location within the continental United States by the giving of thirty (30) days' notice to the Association.

**ARTICLE 13
DISPUTE RESOLUTION**

This Article 13 is intended to encourage the resolution of disputes involving the Property. A dispute regarding the Lots, Condominium Units, Common Area, Special Common Area, and/or Improvements can create significant financial exposure for the Association and its Members, interfere with the resale and refinancing of Lots and Condominium Units, and increase strife and tension among the Owners, the Board and the Association's management. Since disputes may have a direct effect on each Owner's use and enjoyment of their Lot or Condominium Unit, the Common Area, and the Special Common Area, this Article 13 requires Owner transparency and participation in certain circumstances. Transparency means that the Owners are informed in advance about a dispute, the proposed arrangement between the Association and a law firm or attorney who will represent the Association in the dispute, and that each Owner will have an opportunity to participate in the decision-making process prior to initiating the dispute resolution process.

13.1 Introduction and Definitions. The Association, the Owners, Declarant, all persons subject to this Covenant, and each person not otherwise subject to this Covenant who agrees to submit to this *Article 13* by written instrument delivered to the Claimant, which may include, but is not limited to, a Homebuilder, a general contractor, sub-contractor, design professional, or other person who participated in the design or construction of Lots or Condominium Units, Common Area, Special Common Area, or any Improvement within, serving or forming a part of the Property (individually, a "**Party**" and collectively, the "**Parties**") agree to encourage the amicable resolution of disputes involving the Property and the Common Area or Special Common Area to avoid the emotional and financial costs of litigation and arbitration if at all possible. Accordingly, each Party hereby covenants and agrees that this Article applies to all Claims as hereafter defined. This *Article 13* may only be amended with the prior written approval of the Declarant, the Association (acting through a Majority of the Board), and Owners holding 100% of the votes in the Association. As used in this Article only, the following words, when capitalized, have the following specified meanings:

13.1.1 "**Claim**" means:

- (i) Claims relating to the rights and/or duties of Declarant, the Association, the Architectural Reviewer, or the ACC, under the Documents;
- (ii) Claims relating to the acts or omissions of the Declarant, the Association or a Board member or officer of the Association during Declarant's control and administration of the Association, and any claim asserted against the ACC or the Architectural Reviewer; or
- (iii) Claims relating to the design or construction of Improvements located on the Common Area or Special Common Area.

13.1.2 "**Claimant**" means any Party having a Claim against any other Party.

13.1.3 "Respondent" means any Party against which a Claim has been asserted by a Claimant.

13.2 Mandatory Procedures. Claimant may not initiate any proceeding before any judge, jury, arbitrator or any judicial or administrative tribunal seeking redress of resolution of its Claim until Claimant has complied with the procedures of this Article. As provided in Section 13.8 below, a Claim must be resolved by binding arbitration.

13.3 Claims Affecting Common Areas or Special Common Areas. In accordance with Section 4.14 above, the Association does not have the power or right to institute, defend, intervene in, settle, or compromise litigation, arbitration or other proceedings: (i) in the name of or on behalf of any Owner (whether one or more); or (ii) pertaining to a claim relating to the design or construction of Improvements on a Lot or Condominium Unit (whether one or more). Additionally, no Lot Owner or Condominium Unit Owner shall have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings relating to the design or construction of the Common Area or Special Common Area. Each Lot Owner and Condominium Unit Owner, by accepting an interest in or to title to a Lot or Condominium Unit, hereby grants to the Association the exclusive right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings relating to the design or construction of the Common Area or Special Common Area. In the event the Association asserts a Claim related to the Common Area or Special Common Area, as a precondition to providing the Notice defined in Section 13.5, initiating the mandatory dispute resolution procedures set forth in this Article 13, or taking any other action to prosecute a Claim related to the Common Area or Special Common Area, the Association must:

13.3.1 Obtain Owner Approval of Engagement. *The requirements related to Owner approval set forth in this Section 13.3.1 are intended to ensure that the Association and the Owners approve and are fully informed of the financial arrangements between the Association and a law firm or attorney engaged by the Association to prosecute a Claim relating to the design or construction of the Common Area or Special Common Area. The engagement agreement between the Association and the law firm or attorney may include requirements that the Association pay costs, fees, and expenses to the law firm or attorney which will be paid through Assessments levied against Owners. The financial agreement between the Association and the law firm or attorney may also include obligations related to payment, and the conditions and circumstances when the payment obligations arise, if the relationship between the Association and the law firm or attorney is terminated or if the Association agrees to settle the Claim. In addition, the financial arrangement between the Association and the law firm or attorney may include additional costs, expenses, and interest charges. This financial obligation can be significant. The Board may not engage a law firm or attorney to prosecute a Claim relating to the design or construction of the Common Area or Special Common Area or execute a written agreement between the Association and a law firm or attorney for the purpose of prosecuting a Claim relating to the design or construction of Common Area or Special Common*

Area unless the law firm or attorney and the financial arrangements between the Association and the law firm or attorney are approved by the Owners in accordance with this Section 13.3.1.

Unless otherwise approved by Members holding eighty percent (80%) of the votes in the Association, the Association, acting through its Board, shall in no event have the authority to engage a law firm or attorney to prosecute a Claim relating to the design or construction of the Common Area or Special Common Area if the agreement between the Association and law firm or attorney includes any provision or requirement that would obligate the Association to pay any costs, expenses, fees, or other charges to the law firm or attorney, including but not limited to, costs, expenses, fees, or other charges payable by the Association: (i) if the Association terminates the engagement with the law firm or attorney or engages another firm or third-party to assist with the Claim; (ii) if the Association agrees to settle the Claim for a cash payment or in exchange for repairs or remediation performed by the Respondent or any other third-party; (iii) if the Association agrees to pay interest on any costs or expenses incurred by the law firm or attorney; and/or (iv) for consultants, expert witnesses, and/or general contractors hired by the law firm or attorney. For avoidance of doubt, it is intended that Members holding eighty percent (80%) of the votes in the Association must approve the law firm and attorney who will prosecute the Claim and the written agreement between the Association and the law firm and/or attorney.

The approval of the Members required under this *Section 13.3.1* must be obtained at a meeting of Members called in accordance with the Bylaws. The notice of Member meeting will be provided pursuant to the Bylaws but the notice must also include: (a) the name of the law firm and attorney; (b) a copy of the proposed written agreement between the Association and the law firm and/or attorney; (c) a narrative summary of the types of costs, expenses, fees, or other charges that may be required to be paid by the Association; (d) the conditions upon which such types of costs, expenses, fees, or other charges are required to be paid by the Association; (e) an estimate of the costs, expenses, fees, or other charges that may be required to be paid by the Association if the conditions for payment occur, which estimate shall be expressed as a range for each type of cost, expense, fee, or other charge; and (f) a description of the process the law firm and/or attorney will use to evaluate the Claim and whether destructive testing will be required (i.e., the removal of all or portions of the Common Area, Special Common Area, or Improvements on the Property). If destructive testing will be required or is likely to occur, the notice shall include a description of the destructive testing, likely locations of the destructive testing, whether the Owner's use of their Lots and Condominium Units, or the Common Area or Special Common Area will be affected by such testing, and if the destructive testing occurs the means or method the Association will use to repair the Common Area, Special Common Area, or Improvements affected by such testing and the estimated costs thereof. The notice required by this paragraph must be prepared and signed by a person other than the law firm or attorney who is a party to the proposed agreement being approved by the Members. In the event Members holding eighty percent (80%) of the votes in the Association approve the law firm and/or attorney who will prosecute the Claim and the written agreement between the Association and the law firm and/or attorney, the Board shall have the authority to engage the law firm and/or attorney and enter into the written agreement approved by the Members.

13.3.2 Provide Notice of the Inspection. As provided in *Section 13.3.3* below, a Common Area Report is required which is a written inspection report issued by the Inspection Company. Before conducting an inspection that is required to be memorialized by the Common Area Report, the Association must have provided at least ten (10) days prior written notice of the date on which the inspection will occur to each Respondent which notice shall identify the Inspection Company preparing the Common Area Report, the specific Common Areas or Special Common Areas to be inspected, and the date and time the inspection will occur. Each Respondent may attend the inspection, personally or through an agent.

13.3.3 Obtain a Common Area Report. The requirements related to the Common Area Report set forth in this *Section 13.3.3* are intended to provide assurance to the Claimant, Respondent, and the Owners that the substance and conclusions of the Common Area Report and recommendations are not affected by influences that may compromise the professional judgement of the party preparing the Common Area Report, and to avoid circumstances which would create the appearance that the professional judgment of the party preparing the Common Area Report is compromised.

Obtain a written independent third-party report for the Common Area or Special Common Area (the "**Common Area Report**") from a professional engineer licensed by the Texas Board of Professional Engineers with an office located in Travis County, Texas (the "**Inspection Company**"). The Common Area Report must include: (i) a description with photographs of the Common Area or Special Common Area subject to the Claim; (ii) a description of the present physical condition of the Common Area or Special Common Area subject to the Claim; (iii) a detailed description of any modifications, maintenance, or repairs to the Common Area or Special Common Area performed by the Association or a third-party, including any Respondent; and (iv) specific and detailed recommendations regarding remediation and/or repair of the Common Area or Special Common Area subject to the Claim. For the purpose of subsection (iv) of the previous sentence, the specific and detailed recommendations must also include the specific process, procedure, materials, and/or improvements necessary and required to remediate and/or repair the deficient or defective condition identified in the Common Area Report and the estimated costs necessary to effect such remediation and/or repairs. The estimate of costs required by the previous sentence shall be obtained from third-party contractors with an office located in Travis County, Texas, and each such contractor providing the estimate must hold all necessary or required licenses from the Texas Department of Licensing and Regulation or otherwise required by Applicable Law for the work to which the cost estimate relates.

The Common Area Report must be obtained by the Association. The Common Area Report will not satisfy the requirements of this Section and is not an "independent" report if: (a) the Inspection Company has an arrangement or other agreement to provide consulting and/or engineering services with the law firm or attorney that presently represents the Association or proposes to represent the Association; (b) the costs and expenses for preparation of the Common Area Report are not required to be paid directly by the Association to the Inspection Company at the time the Common Area Report is finalized and delivered to the Association; or (c) the law

firm or attorney that presently represents the Association or proposes to represent the Association has agreed to reimburse (whether unconditional or conditional and based on the satisfaction of requirements set forth in the Association's agreement with the law firm or attorney) the Association for the costs and expenses for preparation of the Common Area Report. For avoidance of doubt, an "independent" report means that the Association has independently contracted with the Inspection Company on an arms-length basis based on customary terms for the preparation of engineering reports and that the Association will directly pay for the report at the time the Common Area Report is finalized and delivered to the Association.

13.3.4 Provide a Copy of Common Area Report to all Respondents and Owners. Upon completion of the Common Area Report, and in any event no later than three (3) days after the Association has been provided a copy of the Common Area Report, the Association will provide a full and complete copy of the Common Area Report to each Respondent and to each Owner. The Association shall maintain a written record of each Respondent and Owner who was provided a copy of the Common Area Report which will include the date the report was provided. The Common Area Report shall be delivered to each Respondent by hand-delivery and to each Owner by mail.

13.3.5 Provide a Right to Cure Defects and/or Deficiencies Noted on Common Area Report. Commencing on the date the Common Area Report has been completed and continuing for a period of ninety (90) days thereafter, each Respondent shall have the right to: (i) inspect any condition identified in the Common Area Report; (ii) contact the Inspection Company for additional information necessary and required to clarify any information in the Common Area Report; and (iii) correct any condition identified in the Common Area Report. As provided in *Section 10.10* above, the Declarant has an easement throughout the Property for itself, and its successors, assigns, architects, engineers, other design professionals, each Homebuilder, other builders, and general contractors that may be utilized during such ninety (90) day period and any additional period needed thereafter to correct a condition identified in the Common Area Report.

13.3.6 Hold Owner Meeting and Obtain Approval. In addition to obtaining approval from Members for the terms of the attorney or law firm engagement agreement, the Association must obtain approval from Members holding eighty percent (80%) of the votes in the Association to provide the Notice described in *Section 13.5*, initiate the mandatory dispute resolution procedures set forth in this *Article 13*, or take any other action to prosecute a Claim, which approval from Members must be obtained at a meeting of Members called in accordance with the Bylaws. The notice of meeting required hereunder will be provided pursuant to the Bylaws but the notice must also include: (i) the nature of the Claim, the relief sought, the anticipated duration of prosecuting the Claim, and the likelihood of success; (ii) a copy of the Common Area Report; (iii) a copy of any engagement letter between the Association and the law firm and/or attorney selected by the Association to assert or provide assistance with the Claim; (iv) a description of the attorney fees, consultant fees, expert witness fees, and court costs, whether incurred by the Association directly or for which the Association may be liable as a result

of prosecuting the Claim; (v) a summary of the steps previously taken by the Association to resolve the Claim; (vi) a statement that initiating the lawsuit or arbitration proceeding to resolve the Claim may affect the market value, marketability, or refinancing of a Lot or Condominium Unit while the Claim is prosecuted; and (vii) a description of the manner in which the Association proposes to fund the cost of prosecuting the Claim. The notice required by this paragraph must be prepared and signed by a person who is not (a) the attorney who represents or will represent the Association in the Claim; (b) a member of the law firm of the attorney who represents or will represent the Association in the Claim; or (c) employed by or otherwise affiliated with the law firm of the attorney who represents or will represent the Association in the Claim. In the event Members approve providing the Notice described in *Section 13.5*, or taking any other action to prosecute a Claim, the Members holding a Majority of the votes in the Association, at a special meeting called in accordance with the Bylaws, may elect to discontinue prosecution or pursuit of the Claim.

13.3.7 Provide Officer Certification. Within ten (10) days after a vote of Members called pursuant to this *Article 13*, the secretary or another officer of the Association will provide to Declarant and any Respondent (if different than Declarant): (i) a true and correct copy of the meeting notice provided to Members, for the meeting at which such vote was taken; (ii) copies of the ballots cast at such meeting (whether in person, electronic, or by proxy); (iii) a certification, executed by the issuing officer of the Association that: (a) the information set forth in (i) and (ii) hereinabove is true and correct; (b) the meeting notice provided to Members was provided in accordance with this *Article 13*; and (c) the vote was held in accordance with the Bylaws and this *Article 13*.

13.4 Claim by Lot and/or Condominium Unit Owners. Pursuant to *Section 13.3* above, an Owner does not have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings relating to the design or construction of the Common Area or Special Common Area. In the event that a court of competent jurisdiction or arbitrator determines that an Owner does have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings relating to the design or construction of the Common Area or Special Common Area, such Owner shall be required, since a Claim affecting the Common Area or Special Common Area could affect all Owners, as a precondition to providing the Notice defined in *Section 13.5*, initiating the mandatory dispute resolution procedures set forth in this *Article 13*, or taking any other action to prosecute a Claim, to comply with the requirements imposed by the Association in accordance with *Section 13.3.2* (Provide Notice of Inspection), *Section 13.3.3* (Obtain a Common Area Report), *Section 13.3.4* (Provide a Copy of Common Area Report to all Respondents and Owners), *Section 13.3.5* (Provide Right to Cure Defects and/or Deficiencies Noted on Common Area Report), *Section 13.3.6* (Owner Meeting and Approval), *Section 13.3.7* (Officer Certification), and *Section 13.5* (Notice).

13.5 Notice. Claimant must notify Respondent in writing of the Claim (the "Notice"), stating plainly and concisely: (i) the nature of the Claim, including date, time, location, persons

involved, and Respondent's role in the Claim; (ii) the basis of the Claim (i.e., the provision of the Restrictions or other authority out of which the Claim arises); (iii) what Claimant wants Respondent to do or not do to resolve the Claim; and (iv) that the Notice is given pursuant to this Section. For Claims governed by Chapter 27 of the Texas Property Code, the time period for negotiation in *Section 13.6* below, is equivalent to the sixty (60) day period under Section 27.004 of the Texas Property Code. If a Claim is subject to Chapter 27 of the Texas Property Code, the Claimant and Respondent are advised, in addition to compliance with *Section 13.6*, to comply with the terms and provisions of Section 27.004 of the Texas Property Code during such sixty (60) day period. *Section 13.6* does not modify or extend the time period set forth in Section 27.004 of the Texas Property Code. Failure to comply with the time periods or actions specified in Section 27.004 of the Texas Property Code could affect a Claim if the Claim is subject to Chapter 27 of the Texas Property Code. The one hundred and twenty (120) day period for mediation set forth in *Section 13.7* below, is intended to provide the Claimant and Respondent with sufficient time to resolve the Claim in the event resolution is not accomplished during negotiation. If the Claim is not resolved during negotiation, mediation pursuant to *Section 13.7* is required without regard to the monetary amount of the Claim.

If the Claimant is the Association, the Notice will also include: (a) if the Claim relates to the design or construction of the Common Area or Special Common Area, a true and correct copy of the Common Area Report and any and all other reports, studies, analyses, and recommendations obtained by the Association related to the Common Area or Special Common Area; (b) a copy of any engagement letter between the Association and the law firm and/or attorney selected by the Association to assert or provide assistance with the Claim; (c) if the Claim relates to the design or construction of the Common Area or Special Common Area, reasonable and credible evidence confirming that Members holding eighty percent (80%) of the votes in the Association approved the law firm and attorney and the written agreement between the Association and the law firm and/or attorney in accordance with *Section 13.3.1*; (d) a true and correct copy of the special meeting notice provided to Members in accordance with *Section 13.3.6* above; and (e) reasonable and credible evidence confirming that Members holding eighty percent (80%) of the votes in the Association approved providing the Notice. If the Claimant is not the Association and pertains to the Common Areas or Special Common Areas, the Notice will also include a true and correct copy of the Common Area Report.

13.6 Negotiation. Claimant and Respondent will make every reasonable effort to meet in person to resolve the Claim by good faith negotiation. Within sixty (60) days after Respondent's receipt of the Notice, Respondent and Claimant will meet at a mutually acceptable place and time to discuss the Claim. If the Claim involves all or any portion of the Property, then at such meeting or at some other mutually-agreeable time, Respondent and Respondent's representatives will have full access to the Property that is subject to the Claim for the purposes of inspecting the Property.

13.7 Mediation. If the parties negotiate, but do not resolve the Claim through negotiation within one-hundred twenty (120) days from the date of the Notice (or within such other period as may be agreed on by the parties), Claimant will have thirty (30) additional days within which to submit the Claim to mediation under the auspices of a mediation center or individual mediator on which the parties mutually agree. The mediator must have at least five (5) years of experience serving as a mediator and must have technical knowledge or expertise appropriate to the subject matter of the Claim. If Claimant does not submit the Claim to mediation within the 30-day period, Respondent will submit the Claim to mediation in accordance with this *Section 13.7*. If the Parties do not settle the Claim within thirty (30) days after submission to mediation, Respondent or Claimant may initiate arbitration proceedings in accordance with *Section 13.8*.

13.8 Binding Arbitration-Claims. All Claims must be settled by binding arbitration. Claimant or Respondent may, by summary proceedings (e.g., a plea in abatement or motion to stay further proceedings), bring an action in court to compel arbitration of any Claim not referred to arbitration as required by this *Section 13.8*.

13.8.1 Governing Rules. If a Claim has not been resolved after mediation in accordance with *Section 13.7*, the Claim will be resolved by binding arbitration in accordance with the terms of this *Section 13.8* and the American Arbitration Association (the "AAA") Construction Industry Arbitration Rules and Mediation Procedures and, if applicable, the rules contained in the AAA Supplementary Procedures for Consumer Related Disputes, as each are supplemented or modified by the AAA (collectively, the Construction Industry Arbitration Rules and Mediation Procedures and AAA Supplementary Procedures for Consumer Related Disputes are referred to herein as the "AAA Rules"). In the event of any inconsistency between the AAA Rules and this *Section 13.8*, this *Section 13.8* will control. Judgment upon the award rendered by the arbitrator shall be binding and not subject to appeal, but may be reduced to judgment or enforced in any court having jurisdiction. Notwithstanding any provision to the contrary or any applicable rules for arbitration, any arbitration with respect to Claims arising hereunder shall be conducted by a panel of three (3) arbitrators, to be chosen as follows:

- (i) one arbitrator shall be selected by Respondent, in its sole and absolute discretion;
- (ii) one arbitrator shall be selected by the Claimant, in its sole and absolute discretion; and
- (iii) one arbitrator shall be selected by mutual agreement of the arbitrators having been selected by Respondent and the Claimant, in their sole and absolute discretion.

13.8.2 Exceptions to Arbitration; Preservation of Remedies. No provision of, nor the exercise of any rights under, this *Section 13.8* will limit the right of Claimant or Respondent, and Claimant and the Respondent will have the right during any Claim, to seek, use, and employ

ancillary or preliminary remedies, judicial or otherwise, for the purposes of realizing upon, preserving, or protecting upon any property, real or personal, that is involved in a Claim, including, without limitation, rights and remedies relating to: (i) exercising self-help remedies (including set-off rights); or (ii) obtaining provisions or ancillary remedies such as injunctive relief, sequestration, attachment, garnishment, or the appointment of a receiver from a court having jurisdiction before, during, or after the pendency of any arbitration. The institution and maintenance of an action for judicial relief or pursuit of provisional or ancillary remedies or exercise of self-help remedies shall not constitute a waiver of the right of any party to submit the Claim to arbitration nor render inapplicable the compulsory arbitration provisions hereof.

13.8.3 Statute of Limitations. All statutes of limitation that would otherwise be applicable shall apply to any arbitration proceeding under this *Section 13.8*.

13.8.4 Scope of Award; Modification or Vacation of Award. The arbitrator shall resolve all Claims in accordance with Applicable Law. The arbitrator may grant any remedy or relief that the arbitrator deems just and equitable and within the scope of this *Section 13.8* and subject to *Section 13.9* below; provided, however, attorney's fees and costs may not be awarded by the arbitrator to either Claimant or Respondent. In addition, for a Claim, or any portion of a Claim governed by Chapter 27 of the Texas Property Code, or any successor statute, in no event shall the arbitrator award damages which exceed the damages a Claimant would be entitled to under Chapter 27 of the Texas Property Code, except that the arbitrator may not award attorney's fees and/or costs to their Claimant or Respondent. In all arbitration proceedings, the arbitrator shall make specific, written findings of fact and conclusions of law. In all arbitration proceedings the parties shall have the right to seek vacation or modification of any award that is based in whole, or in part, on: (i) factual findings that have no legally or factually sufficient evidence, as those terms are defined in Texas law; (ii) conclusions of law that are erroneous; (iii) an error of Applicable Law; or (iv) a cause of action or remedy not expressly provided under Applicable Law. In no event may an arbitrator award speculative, special, exemplary, treble, or punitive damages for any Claim.

13.8.5 Other Matters. To the maximum extent practicable, an arbitration proceeding hereunder shall be concluded within one hundred and eighty (180) days of the filing of the Claim for arbitration. Arbitration proceedings hereunder shall be conducted in Travis County, Texas. Unless otherwise provided by this *Section 13.8*, the arbitrator shall be empowered to impose sanctions and to take such other actions as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the Texas Rules of Civil Procedure and Applicable Law. Claimant and Respondent agree to keep all Claims and arbitration proceedings strictly confidential, except for disclosures of information required in the ordinary course of business of the parties or by Applicable Law. In no event shall Claimant or Respondent discuss with the news media or grant any interviews with the news media regarding a Claim or issue any press release regarding any Claim without the written consent of the other parties to the Claim.

13.9 Allocation Of Costs. Notwithstanding any provision in this Covenant to the contrary, each Party bears all of its own costs incurred prior to and during the proceedings described in the Notice, Negotiation, Mediation, and Arbitration sections above, including its attorney's fees. Respondent and Claimant will equally divide all expenses and fees charged by the mediator and arbitrator.

13.10 General Provisions. A release or discharge of Respondent from liability to Claimant on account of the Claim does not release Respondent from liability to persons who are not party to Claimant's Claim.

13.11 Period of Limitation.

13.11.1 For Actions by an Owner or Occupant. The exclusive period of limitation for any of the Parties to bring any Claim, shall be the earliest of: (i) for Claims alleging construction defect or defective design, two (2) years and one (1) day from the date that the Owner or Occupant discovered or reasonably should have discovered evidence of the Claim; (ii) for Claims other than those alleging construction defect or defective design, four (4) years and one (1) day from the date that the Owner or Occupant discovered or reasonably should have discovered evidence of the Claim; or (iii) the applicable statute of limitations for such Claim. In the event that a court of competent jurisdiction determines that an Owner does have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings relating to the design or construction of the Common Area or Special Common Area, the exclusive period of limitation for a Claim of construction defect or defective design of the Common Areas or Special Common Areas, shall be the earliest of: (a) two (2) years and one (1) day from the date that the Owner or the Association discovered or reasonably should have discovered evidence of the Claim; or (b) the applicable statute of limitations for such Claim. In no event shall this *Section 13.11.1* be interpreted to extend any period of limitations.

13.11.2 For Actions by the Association. The exclusive period of limitation for the Association to bring any Claim, including, but not limited to, a Claim of construction defect or defective design of the Common Areas or Special Common Areas, shall be the earliest of: (i) for Claims alleging construction defect or defective design, two (2) years and one (1) day from the date that the Association or its manager, board members, officers or agents discovered or reasonably should have discovered evidence of the Claim; (ii) for Claims other than those alleging construction defect or defective design of the Common Areas or Special Common Area, four (4) years and one (1) day from the date that the Association or its manager, board members, officers or agents discovered or reasonably should have discovered evidence of the Claim; or (iii) the applicable statute of limitations for such Claim. In no event shall this *Section 13.11.2* be interpreted to extend any period of limitations.

13.12 Funding the Resolution of Claims. The Association must levy a Special Assessment to fund the estimated costs to resolve a Claim pursuant to this *Article 13*. The

Association may not use its annual operating income or reserve funds to fund the costs to resolve a Claim unless the Association has previously established and funded a dispute resolution fund.
