### [RESIDENTIAL]

This Travis Club Development Area Declaration [*Residential*] (this "**Development Area Declaration**") is made by **HH-CH-B BLUE LAKE, LLC**, a Delaware limited liability company (the "**Declarant**"), and is as follows:

#### RECITALS:

A. Declarant previously Recorded that certain Travis Club Master Covenant [*Residential*], recorded as Document No. 2023141950, in the Official Public Records of Travis County, Texas (the "**Covenant**").

B. Pursuant to the Covenant, Declarant served notice that portions of the Property may be made subject to one or more Development Area Declarations upon the Recording of one or more Notices of Applicability in accordance with *Section 11.5* of the Covenant, and once such Notices of Applicability have been Recorded, the portions of the Property described therein will constitute the Development Area and will be governed by and fully subject to this Development Area Declaration in addition to the Covenant.

A Development Area is a portion of Travis Club which is subject to the terms and provisions of the Covenant. A Development Area Declaration includes specific restrictions which apply to the Development Area, in addition to the terms and provisions of the Covenant.

C. Upon the further Recording of one or more Notices of Applicability, portions of the Property identified in such notice or notices will be subject to the terms and provisions of this Development Area Declaration. The Property made subject to the terms and provisions of this Development Area Declaration will be referred to herein as the "**Development Area**."

**NOW, THEREFORE**, it is hereby declared: (i) those portions of the Property as and when made subject to this Development Area Declaration by the filing of a Notice of Applicability will be held, sold, conveyed, and occupied subject to the following covenants, conditions and restrictions which will run with such portions of the Property and will be binding upon all parties having right, title, or interest in or to such portions of the Property or any part thereof, their heirs, successors, and assigns and will inure to the benefit of each Owner thereof; and (ii) each contract or deed conveying those portions of the Property which are made subject to this Development Area Declaration will conclusively be held to have been executed, delivered, and accepted subject to the following covenants, conditions and restrictions, regardless of whether or not the same are set out in full or by reference in said contract or deed;

and (iii) that this Development Area Declaration will supplement and be in addition to the covenants, conditions, and restrictions of the Covenant.

## ARTICLE 1 DEFINITIONS

Any capitalized terms used but not defined in this Development Area Declaration will have the meanings given to such terms in the Covenant.

## ARTICLE 2 USE RESTRICTIONS

All of the Development Area will be owned, held, encumbered, leased, used, occupied, and enjoyed subject to the following limitations and restrictions:

**2.1 Single-Family Use Restrictions.** The Development Area will be used solely for single-family residential purposes.

No professional, business, or commercial activity to which the general public is invited will be conducted on any portion of the Development Area, except an Owner or Occupant may conduct business activities within a residence so long as: (i) such activity complies with Applicable Law; (ii) participation in the business activity is limited to the Owner(s) or Occupant(s) of a residence; (iii) the existence or operation of the business activity is not apparent or detectable by sight, i.e., no sign may be erected advertising the business within the Development Area, sound, or smell from outside the residence; (iv) the business activity does not involve door-to-door solicitation of residents within the Development Area; (v) the business does not, in the Board's judgment, generate a level of vehicular or pedestrian traffic or a number of vehicles parked within the Development Area which is noticeably greater than that which is typical of residences in which no business activity is being conducted; (vi) the business activity is consistent with the residential character of the Development Area and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Development Area as may be determined in the sole discretion of the Board; and (vii) the business does not require the installation of any machinery other than that customary to normal household operations. In addition, for the purpose of obtaining any business or commercial license, neither the residence nor the Lot will be considered open to the public. The terms "business" and "trade", as used in this provision, will be construed to have their ordinary, generally accepted meanings and will include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (x) such activity is engaged in full or part-time; (y) such activity is intended to or does generate a profit; or (z) a license is required. Leasing of a residence in compliance with *Section 2.2* will not be considered a

business or trade within the meaning of this subsection. This subsection will not apply to any activity conducted by the Declarant or a Homebuilder.

Notwithstanding any provision in this Development Area Declaration to the contrary, until the expiration or termination of the Development Period:

(i) Declarant and/or its licensees may construct and maintain upon portions of the Common Area or Special Common Area, and any Lot owned by the Declarant such facilities and may conduct such activities which, in Declarant's sole opinion, may be reasonably required, convenient, or incidental to the construction or sale of single-family residences constructed upon the Lots, including, but not limited to, business offices, signs, model homes, and sales offices. Declarant and/or its licensees have an easement over and across the Common Area and Special Common Area for access and use of such facilities at no charge; and

(ii) Declarant and/or its licensees will have an access easement over and across the Common Area and Special Common Area for the purpose of making, constructing and installing improvements to the Common Area and Special Common Area.

**2.2 Rentals.** No portion of the Development Area may be used as an apartment house, flat, lodging house, hotel, bed and breakfast lodge, or any similar purpose, but the primary residence constructed on a Lot may be leased for residential purposes for a lease term of no less than six (6) months. All leases will be in writing. The Owner must provide to its lessee copies of the Documents. Notice of any lease, together with such additional information as may be required by the Board, must be remitted to the Association by the Owner on or before the expiration of ten (10) days after the effective date of the lease. All leases must be for the entire residence.

**2.3 Rubbish and Debris.** As determined by the Architectural Reviewer, no rubbish or debris of any kind may be placed or permitted to accumulate on or within the Development Area, and no odors will be permitted to arise therefrom so as to render all or any portion of the Development Area unsanitary, unsightly, offensive, or detrimental to any other property or Occupants. Refuse, garbage, and trash must be kept at all times in covered containers, and such containers must be kept within enclosed structures or appropriately screened from view. Each Owner will contract with an independent disposal service to collect all garbage or other wastes, if such service is not provided by a governmental entity or the Association.

**2.4 Trash Containers.** Trash containers and recycling bins must be stored in one of the following locations: (i) inside the garage of the residence; or (ii) behind or on the side of a residence in such a manner that the trash container and recycling bin is not visible from any street, alley, or adjacent residence, e.g. behind a privacy fence or other appropriate screening.

The Architectural Reviewer will have the right to specify additional locations in which trash containers or recycling bins must be stored.

**2.5 Unsightly Articles; Vehicles.** No article deemed to be unsightly by the Board will be permitted to remain on any Lot so as to be visible from adjoining property or from public or private thoroughfares. Without limiting the generality of the foregoing, trailers, graders, trucks other than pickups, boats, tractors, campers, wagons, buses, motorcycles, motor scooters, all-terrain vehicles and garden maintenance equipment will be kept at all times except when in actual use, in enclosed structures or screened from view and no repair or maintenance work may be done on any of the foregoing, or on any automobile (other than minor emergency repairs), except in enclosed garages or other structures. Service areas, storage areas, compost piles and facilities for hanging, drying or airing clothing or household fabrics must be appropriately screened from view, and no lumber, grass, plant waste, shrub or tree clippings, metals, bulk materials, scrap, refuse or trash must be kept, stored, or allowed to accumulate on any portion of the Development Area except within enclosed structures or appropriately screened from view. No racing vehicles or any other vehicles (including, without limitation, motorcycles or motor scooters) that are inoperable or do not have a current license tag may be visible on any Lot or may be parked on any roadway within the Development Area. Motorcycles must be operated in a quiet manner.

Parking of commercial vehicles or equipment, recreational vehicles, boats and other watercraft, trailers, stored vehicles or inoperable vehicles in places other than: (i) in enclosed garages; and (ii) behind a fence so as to not be visible from any other portion of the Development Area is prohibited; provided, construction, service and delivery vehicles may be exempt from this provision for such period of time as is reasonably necessary to provide service or to make a delivery to a residence.

**2.6 On Street Parking.** Parking on any road or street within the Property by Owners and Occupants is prohibited except in the event of an emergency. "Emergency" for purposes of the foregoing sentence shall mean an event which jeopardizes life or property. "Parking" as used herein shall be defined as a vehicle left unattended by a licensed operator for more than thirty (30) consecutive minutes.

**2.7 Outside Burning.** No exterior fires are permitted with the exception of barbecues, outside fireplaces, fire-pits, braziers and incinerator fires that are contained within facilities or receptacles and in areas designated and approved by the Architectural Reviewer. No Owner may permit any condition upon its portion of the Development Area which creates a fire hazard or violates Applicable Law.

**2.8 Hazardous Activities.** No activities may be conducted on or within the Development Area and no Improvements may be constructed on or within any portion of the Development Area which, in the opinion of the Board, are or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms or

fireworks may be discharged upon any portion of the Development Area unless discharged in conjunction with an event approved in advance by the Architectural Reviewer and no open fires may be lighted or permitted except within safe and well-designed fireplaces, fire-pits, or in contained barbecue units while attended and in use for cooking purposes. No portion of the Development Area may be used for the takeoff, storage, or landing of aircraft (including, without limitation, helicopters, and excluding drones) except for medical emergencies.

**2.9 Animals - Household Pets.** No animals, including pigs, hogs, swine, poultry, fowl, wild animals, horses, cattle, sheep, goats, or any other type of animal not considered to be a domestic household pet within the ordinary meaning and interpretation of such words may be kept, maintained, or cared for on or within the Development Area (as used in this paragraph, the term "domestic household pet" does not include non-traditional pets such pot-bellied pigs, miniature horses, chickens, exotic snakes or lizards, ferrets, monkeys or other exotic animals). The Board may conclusively determine, in its sole discretion, whether a particular pet is a domestic household pet within the ordinary meaning and interpretation of such words. No Owner or Occupant may keep on such Owner's or Occupant's Lot more than four (4) cats and dogs, in the aggregate. No animal may be allowed to make an unreasonable amount of noise, or to become a nuisance, and no domestic pets will be allowed on the Development Area other than within the residence, or the fenced yard space associated therewith, unless confined to a leash. The Board may restrict pets to certain areas on the Development Area. No animal may be stabled, maintained, kept, cared for, or boarded for hire or remuneration on the Development Area, and no kennels or breeding operation will be allowed. No animal may be allowed to run at large, and all animals must be kept within enclosed areas which must be clean, sanitary, and reasonably free of refuse, insects, and waste at all times. No pet may be left unattended in front yards, porches or other unenclosed outside areas of the Lot. Outdoor cats are expressly prohibited. All pet waste will be removed and appropriately disposed of by the owner of the pet. All pets must be registered, licensed and inoculated as required by Applicable Law. All pets not confined to a residence must wear collars with appropriate identification tags. If, in the opinion of the Board, any pet becomes a source of unreasonable annoyance to others, or the owner of the pet fails or refuses to comply with these restrictions, the Owner or Occupant, upon written notice, may be required to remove the pet from the Development Area.

**2.10 Maintenance.** The Owners of each Lot will jointly and severally have the duty and responsibility, at their sole cost and expense, to keep their Lot and all Improvements thereon in good condition and repair and in a well-maintained, safe, clean and attractive condition at all times. The Board, in its sole discretion, will determine whether a violation of the maintenance obligations set forth in this Section has occurred. Such maintenance includes, but is not limited to the following, which must be performed in a timely manner, as determined by the Board, in its sole discretion:

- (i) Prompt removal of all litter, trash, refuse, and wastes.
- (ii) Lawn mowing and edging.

- (iii) Tree and shrub pruning.
- (iv) Watering.
- (v) Keeping exterior lighting and mechanical facilities in working order.
- (vi) Keeping lawn and garden areas alive, free of weeds, and attractive.
- (vii) Keeping planting beds free of turf grass.
- (viii) Keeping sidewalks and driveways in good repair.
- (ix) Complying with Applicable Law.
- (x) Repainting of Improvements.
- (xi) Repair of exterior damage, and wear and tear to Improvements.

**2.11 Owner's Obligation to Maintain Street Landscape.** Each Owner will be responsible, at such Owner's sole cost and expense, for maintaining mowing, replacing, pruning, and irrigating the landscaping between the boundary of such Owner's Lot and the edge of the pavement of any adjacent public right-of-way, street or alley (the "**ST Landscape Area**") unless the responsibility for maintaining the ST Landscape Area or any portion thereof has been assumed by the Association, in the Board's sole discretion, in a Recorded written instrument identifying all or any portion of the ST Landscape Area to be maintained (the "**Association Landscape Area**"). If the Association assumes such responsibility as set forth herein, Owner may neither perform any maintenance in the Association Landscape Area nor construct any Improvements therein. Otherwise specifically, and not by way of limitation, each Owner, at such Owner's sole cost and expense, will be required to maintain, irrigate and replace any trees located within the ST Landscape Area. No landscaping, including trees, may be removed from or installed within the ST Landscape Area without the advance written consent of the Board. In the event an Owner fails to properly and on a timely basis (both standards to be determined by the Board in the Board's sole and absolute discretion) mow, replace, prune, and/or irrigate any landscaping, including trees, in such Owner's ST Landscape Area, such failure will constitute a violation of the Documents and the Board may cause such landscaping, including trees, to be mowed, replaced, pruned and/or irrigated in a manner determined by the Board, in its sole and absolute discretion. If the Board causes such landscaping, including trees, to be mowed, replaced, pruned and irrigated, the Owner otherwise responsible therefor will be personally liable to the Association for all costs and expenses incurred by the Association for effecting such work. If such Owner fails to pay such costs and expenses upon demand by the Association, such costs and expenses (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one-half percent (1½%) per month) will be assessed against and chargeable to the Owner's Lot(s). Any such amounts assessed and chargeable against a Lot hereunder will be secured by the liens reserved in the Covenant for Assessments and may be collected by any means provided in the Covenant for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s). EACH OWNER AND OCCUPANT WILL

INDEMNIFY AND HOLD HARMLESS THE ASSOCIATION AND ITS OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS SECTION INCLUDING ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING OUT OF THE ASSOCIATION'S NEGLIGENCE IN CONNECTION THEREWITH), EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING BY REASON OF THE ASSOCIATION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. "GROSS NEGLIGENCE" AS USED HEREIN DOES NOT INCLUDE SIMPLE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.

**2.12 Signs.** Unless otherwise permitted by Applicable Law, no sign of any kind may be displayed to the public view on any Lot without the prior written approval of the Architectural Reviewer, except for:

2.12.1 Declarant Signs. Signs erected by the Declarant or erected with the advance written consent of the Declarant;

2.12.2 Security Signs. One small security service sign per Lot, provided that the sign has a maximum face area of two (2) square feet and is located no more than five (5) feet from the front elevation of the principal residence constructed upon the Lot;

2.12.3 Permits. Permits as may be required by Applicable Law;

2.12.4 Political Signs. Political signs may be erected provided the sign: (i) is erected no earlier than the 90<sup>th</sup> day before the date of the election to which the sign relates; (ii) is removed no later than the 10<sup>th</sup> day after the date of the election to which the sign relates; and (iii) is ground-mounted. Only one sign may be erected for each candidate or ballot item. In addition, signs which include any of the components or characteristics described in Section 259.002(d) of the Texas Election Code are prohibited.

Except for signs which are erected by the Declarant or erected with the advance written consent of the Declarant: (i) no sign may be displayed in the window of any Improvement located on a Lot; and (ii) no "For Sale" or "For Lease" sign may be erected or displayed on a Lot.

**2.13 Tanks.** The Architectural Reviewer must approve any tank used or proposed in connection with a residence, including tanks for storage of fuel, water, oil, or liquid petroleum gas (LPG), and including swimming pool filter tanks. No elevated tanks of any kind may be erected, placed or permitted on any Lot within the Development Area without the advance written approval of the Architectural Reviewer. All permitted tanks must be screened from view in accordance with a screening plan approved in advance by the Architectural Reviewer. This provision will not apply to a tank used to operate a standard residential gas grills, nor will

it apply to barrels used as part of a Rainwater Harvesting Systems with a capacity of less than 50 gallons, so long as such barrels are actively being used for rainwater collection and storage.

**2.14 Temporary Structures.** No tent, shack, or other temporary building, Improvement, or structure must be placed upon the Development Area without the prior written approval of the Architectural Reviewer; provided, however, that temporary structures necessary for storage of tools and equipment, and for office space for Homebuilders, architects, and foremen during actual construction may be maintained with the prior approval of the Declarant, approval to include the nature, size, duration, and location of such structure.

**2.15 Mobile Homes, Travel Trailers and Recreational Vehicles.** No mobile homes, travel trailers or recreational vehicles (excluding golf carts) may be parked or placed on any street, right of way, Lot or used as a residence, either temporary or permanent, at any time. Notwithstanding the foregoing, sales trailers or other temporary structures expressly approved by the Architectural Reviewer or allowed pursuant to *Section 11.2* of the Covenant will be permitted.

**2.16 Party Wall Fences.** A fence or wall located on or near the dividing line between two (2) Lots and intended to benefit both Lots constitutes a "**Party Wall**". To the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions will apply thereto. Party Walls will also be subject to the following:

**2.16.1 Encroachments & Easement.** If the Party Wall is on one Lot due to an error in construction, the Party Wall is nevertheless deemed to be on the dividing line for purposes of this Section. Each Lot sharing a Party Wall is subject to an easement for the existence and continuance of any encroachment by the Party Wall as a result of construction, repair, shifting, settlement, or movement in any portion of the Party Wall, so that the encroachment may remain undisturbed as long as the Party Wall stands. Each Lot is subject to a reciprocal easement for the maintenance, repair, replacement, or reconstruction of the Party Wall.

**2.16.2 Right to Repair.** If the Party Wall is damaged or destroyed from any cause, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, the Owner of either Lot may repair or rebuild the Party Wall to its previous condition, and the other Owner or Owners that the wall serves will thereafter contribute to the cost of restoration thereof in equal proportions without prejudice, subject however, to the right of any such Owners to call for a larger contribution from the others under any rule or law regarding liability for negligent or willful acts or omissions. The Owners of both Lots, their successors and assigns, have the right to the full use of the repaired or rebuilt Party Wall. No Party Wall may be constructed, repaired, or rebuilt without the advance written approval of the Architectural Reviewer in accordance with *Article 8* of the Covenant.

2.16.3 Maintenance Costs. The Owners of the adjoining Lots share equally the costs of repair, reconstruction, or replacement of the Party Wall, subject to the right of one Owner to call for larger contribution from the other under any rule of law regarding liability for negligence or willful acts or omissions. If an Owner is responsible for damage to or destruction of the Party Wall, that Owner will bear the entire cost of repair, reconstruction, or replacement. If an Owner fails or refuses to pay his share of costs of repair or replacement of the Party Wall, the Owner advancing monies has a right to file a claim of lien for the monies advanced in the Official Public Records of Travis County, Texas, and has the right to foreclose the lien as if it were a mechanic's lien. The right of an Owner to require contribution from another Owner under this Section is appurtenant to the Lot and passes to the Owner's successors in title.

2.16.4 Alterations. The Owner of a Lot sharing a Party Wall may not cut openings in the Party Wall or alter or change the Party Wall in any manner that affects the use, condition, or appearance of the Party Wall to the adjoining Lot. The Party Wall will always remain in the same location as when erected unless otherwise approved by the Owner of each Lot sharing the Party Wall and the Architectural Reviewer.

2.16.5 Dispute Resolution. In the event of any dispute arising concerning a Party Wall, or under the provisions of this Section (the "**Dispute**"), the parties must submit the Dispute to mediation. Should the parties be unable to agree on a mediator within ten (10) days after written request therefore by the Board, the Board will appoint a mediator. If the Dispute is not resolved by mediation, the Dispute will be resolved by binding arbitration. Either party may initiate the arbitration. Should the parties be unable to agree on an arbitrator within ten (10) days after written request therefore by the Board, the Board will appoint an arbitrator. The decision of the arbitrator will be binding upon the parties and will be in lieu of any right of legal action that either party may have against the other. In the event an Owner fails to properly and on a timely basis (both standards to be determined by the Board in the Board's sole and absolute discretion) implement the decision of the mediator or arbitrator, as applicable, the Board may implement said mediator's or arbitrator's decision, as applicable. If the Board implements the mediator's or arbitrator's decision on behalf of an Owner, the Owner otherwise responsible therefor will be personally liable to the Association for the cost of obtaining the all costs and expenses incurred by the Association in conjunction therewith. If such Owner fails to pay such costs and expenses upon demand by the Association, such costs and expenses (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one-half percent (1-1/2%) per month) will be assessed against and chargeable to the Owner's Lot(s). Any such amounts assessed and chargeable against a Lot hereunder will be secured by the liens reserved in the Covenant for Assessments and may be collected by any means provided in the Covenant for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s).

**2.17 No Warranty of Enforceability.** Declarant makes no warranty or representation as to the present or future validity or enforceability of the Documents. Any Owner acquiring a

Lot in reliance on one or more of the Documents will assume all risks of the validity and enforceability thereof and, by acquiring the Lot, agrees to hold Declarant harmless therefrom.

**2.18 Compliance with Documents.** Each Owner, his or her family, occupants of a Lot, and the Owner's tenants, guests, invitees, and licensees will comply strictly with the provisions of the Documents as the same may be amended from time to time. Failure to comply with any of the Documents will constitute a violation of thereof and may result in a fine against the Owner in accordance with *Section 7.14* of the Covenant, and will give rise to a cause of action to recover sums due for damages or injunctive relief, or both, maintainable by the Declarant, the Board on behalf of the Association, the Architectural Reviewer, or by an aggrieved Owner. Without limiting any rights or powers of the Association, either the Board or the Architectural Reviewer may (but neither will be obligated to) remedy or attempt to remedy any violation of any of the provisions of Documents, and the Owner whose violation has been so remedied will be personally liable to the Association for all costs and expenses of effecting (or attempting to effect) such remedy. If such Owner fails to pay such costs and expenses upon demand by the Association, such costs and expenses (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one half percent (1½%) per month) will be assessed against and chargeable to the Owner's Lot(s). Any such amounts assessed and chargeable against a Lot will be secured by the liens reserved in this Development Area Declaration and/or the Covenant for Assessments and may be collected by any means provided in this Development Area Declaration and/or the Covenant for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s). Each such Owner will release and hold harmless the Association and its officers, directors, employees and agents from any cost, loss, damage, expense, liability, claim or cause of action incurred or that may arise by reason of the Association's acts or activities under this Section (including any cost, loss, damage, expense, liability, claim or cause of action arising out of the Association's negligence in connection therewith), except for such cost, loss, damage, expense, liability, claim or cause of action arising by reason of the Association's gross negligence or willful misconduct. "Gross negligence" as used herein does not include simple negligence, contributory negligence or similar negligence short of actual gross negligence.

**2.19 Insurance Rates.** Nothing may be done or kept on the Development Area that would increase the rate of casualty or liability insurance or cause the cancellation of any such insurance on the Common Area or Special Common Area, or the Improvements located thereon, without the prior written approval of the Board.

**2.20 Release.** EACH OWNER HEREBY RELEASES AND HOLDS HARMLESS THE ASSOCIATION, DECLARANT, THE ARCHITECTURAL REVIEWER AND THEIR AFFILIATES, OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF SUCH OWNER'S USE OF ANY COMMON AREA OR SPECIAL COMMON AREA.

Neither the Association nor Declarant will assume any responsibility or liability for any personal injury or property damage which is occasioned by use of any Common Area or Special Common Area, and in no circumstance will words or actions by the Association or Declarant constitute an implied or express representation or warranty regarding the fitness or condition of any Common Area or Special Common Area.

### ARTICLE 3 CONSTRUCTION RESTRICTIONS

**3.1 Construction of Improvements.** Unless initiated by the Declarant, no Improvements of any kind may hereafter be placed, maintained, erected or constructed upon any portion of the Development Area unless approved in advance and in writing by the Architectural Reviewer in accordance with the Covenant. Pursuant to *Section 8.4* of the Covenant, the Architectural Reviewer may adopt Design Guidelines applicable to the Development Area. If adopted, all Improvements must strictly comply with the requirements of the Design Guidelines unless a variance is obtained pursuant to the Covenant. The Design Guidelines may be supplemented, modified, amended, or restated by the Architectural Reviewer as authorized by the Covenant.

**3.2 Utility Lines.** Unless otherwise approved by the Architectural Reviewer, no sewer, drainage or utility lines or wires or other devices for the communication or transmission of electric current, power, or signals including telephone, television, microwave or radio signals, may be constructed, placed or maintained anywhere in or upon any portion of the Development Area other than within buildings or structures unless the same is contained in conduits or cables constructed, placed or maintained underground, concealed in or under buildings or other structures.

**3.3 Garages.** All garages, carports and other open automobile storage units must be approved in advance of construction by the Architectural Reviewer. No garage may be permanently enclosed or otherwise used for habitation.

**3.4 Fences.** No fence may be constructed on the Development Area without the prior written consent of the Architectural Reviewer. If adopted, all fences must strictly comply with the requirements of the Design Guidelines unless a variance is obtained pursuant to the Covenant.

**3.5 Driveways.** The design, construction material, and location of: (i) all driveways, and (ii) culverts incorporated into driveways for ditch or drainage crossings, must be approved by the Architectural Reviewer. Each Owner will be responsible, at such Owner's sole cost and expense, for properly and on a timely basis (both standards to be determined by the Board in the Board's sole and absolute discretion) maintaining and repairing the driveway on such Owner's Lot.

3.6 **Roofing**. All roofing material must be approved in advance of construction by the Architectural Reviewer.

3.7 **HVAC Location**. No air-conditioning apparatus may be installed on the ground in front of a residence or on the roof of any residence, unless otherwise approved in advance by the Architectural Reviewer. No window air-conditioning apparatus or evaporative cooler may be attached to any front wall or front window of a residence or at any other location where it would be visible from any street, any other residence, Common Area, or Special Common Area. All HVAC units must be screened in a manner approved in advance by the Architectural Reviewer, or as otherwise set forth in the Design Guidelines.

3.8 **Impervious Cover**. There are limits on the amount of Impervious Cover that may be incorporated into each Lot. In the event an Owner exceeds the Impervious Cover Allocation without the advance written approval of the Architectural Reviewer, the Architectural Reviewer may require the removal of such excess Impervious Cover from the Lot at the Lot Owner's sole cost and expense.

#### ARTICLE 4 DEVELOPMENT

4.1 **Notice of Applicability**. Upon Recording, this Development Area Declaration serves to provide notice that at any time, and from time to time, Declarant, and Declarant only, may subject all or any portion of the Property to the terms, covenants, conditions, restrictions and obligations of this Development Area Declaration. This Development Area Declaration will apply to and burden a portion or portions of the Property upon the filing of a Notice of Applicability in accordance with *Section 11.5* of the Covenant describing such Property by a legally sufficient description and expressly providing that such Property will be subject to the terms, covenants conditions, restrictions and obligations of this Development Area Declaration. To add land to the Development Area, Declarant will be required only to Record a Notice of Applicability filed pursuant to *Section 11.5* of the Covenant containing the following provisions:

- (i) A reference to this Development Area Declaration, which will include the recordation information thereof;

4.2 **Withdrawal of Land**. Declarant may, at any time and from time to time, reduce or withdraw land from the Development Area and remove and exclude from the burden of this Development Area Declaration any portion of the Development Area. Upon any such withdrawal this Development Area Declaration and the covenants, conditions, restrictions and

obligations set forth herein will no longer apply to the portion of the Development Area withdrawn. To withdraw lands from the Development Area hereunder, Declarant will be required only to Record a notice of withdrawal of land containing the following provisions:

- (i) A reference to this Development Area Declaration, which will include the recordation information thereof;
- (ii) A statement that the provisions of this Development Area Declaration will no longer apply to the withdrawn land; and
- (iii) A legal description of the withdrawn land.

**4.3 Assignment of Declarant's Rights.** Notwithstanding any provision in this Development Area Declaration to the contrary, Declarant may, by written instrument, assign, in whole or in part, any of its privileges, exemptions, rights, and duties under this Development Area Declaration to any person or entity and may permit the participation, in whole, in part, exclusively, or non-exclusively, by any other person or entity in any of its privileges, exemptions, rights, and duties hereunder.

## ARTICLE 5 GENERAL PROVISIONS

**5.1 Term.** The terms, covenants, conditions, restrictions, easements, charges, and liens set out in this Development Area Declaration will run with and bind the portion of the Property described, in a Notice of Applicability Recorded pursuant to *Section 11.5* of the Covenant or in any Recorded notice, and will inure to the benefit of and be enforceable by the Association, and every Owner, including Declarant, and their respective legal representatives, heirs, successors, and assigns, for a term beginning on the date this Development Area Declaration is Recorded, and continuing through and including January 1, 2097, after which time this Development Area Declaration will be automatically extended for successive periods of ten (10) years unless a change (the word "change" meaning a termination, or change of term or renewal term) is approved by Members entitled to cast at least sixty-seven percent (67%) of the total number of votes of the Association, voting in person or by proxy at a meeting duly called for such purpose, written notice of which will be given to all Members at least thirty (30) days in advance and will set forth the purpose of such meeting; provided, however, that such change will be effective only upon the Recording of a certified copy of such resolution. The foregoing sentence will in no way be interpreted to mean sixty-seven percent (67%) of a quorum as established pursuant to the Bylaws. Notwithstanding any provision in this Section to the contrary, if any provision of this Development Area Declaration would be unlawful, void, or voidable by reason of any Applicable Law restricting the period of time that covenants on land may be enforced, such provision will expire twenty-one (21) years after the death of the last survivor of the now living as of the date of the Recording of this document descendants of Charles III, King of England.

**5.2 Amendment.** This Development Area Declaration may be amended or terminated by the Recording of an instrument setting forth the amendment executed and acknowledged by (i) the Declarant, acting alone; or (ii) by the president and secretary of the Association setting forth the amendment and certifying that such amendment has been approved by Declarant (until expiration or termination of the Development Period) and Members entitled to cast at least sixty-seven percent (67%) of the total number of votes of the Association. The foregoing sentence will in no way be interpreted to mean sixty-seven percent (67%) of a quorum as established pursuant to the Bylaws. No amendment will be effective without the written consent of Declarant during the Development Period.

**5.3 Interpretation.** The provisions of this Development Area Declaration will be liberally construed to effectuate the purpose of creating a uniform plan for the development and operation of the Development Area, provided, however, that the provisions of this Development Area Declaration will not be held to impose any restriction, condition or covenant whatsoever on any land owned by Declarant other than the Development Area. This Development Area Declaration will be construed and governed under the laws of the State of Texas.

**5.4 Gender.** Whenever the context so requires, all words herein in the male gender will be deemed to include the female or neuter gender, all singular words will include the plural, and all plural words will include the singular.

**5.5 Enforcement and Nonwaiver.** Except as otherwise provided herein, any Owner of Lot, at such Owner's own expense, Declarant and the Association will have the right to enforce all of the provisions of this Development Area Declaration. The Association and/or the Declarant may initiate, defend or intervene in any action brought to enforce any provision of this Development Area Declaration. Such right of enforcement will include both damages for and injunctive relief against the breach of any provision hereof. Every act or omission whereby any provision of the Documents is violated, in whole or in part, is hereby declared to be a nuisance and may be enjoined or abated by any Owner of a Lot (at such Owner's own expense), Declarant or the Association. Any violation of any Applicable Law pertaining to the ownership, occupancy, or use of any portion of the Development Area is hereby declared to be a violation of this Development Area Declaration and subject to all of the enforcement procedures set forth herein. The failure to enforce any provision of the Documents at any time will not constitute a waiver of the right thereafter to enforce any such provision or any other provision of the Documents.

**5.6 Severability.** If any provision of this Development Area Declaration is held to be invalid by any court of competent jurisdiction, such invalidity will not affect the validity of any other provision of this Development Area Declaration, or, to the extent permitted by Applicable Law, the validity of such provision as applied to any other person or entity.

5.7 **Captions.** All captions and titles used in this Development Area Declaration are intended solely for convenience of reference and will not enlarge, limit, or otherwise affect that which is set forth in any of the paragraphs, sections, or articles hereof.

5.8 **Conflicts.** To the extent of any conflict between the terms and provisions of this Development Area Declaration and the Covenant, Bylaws, or any Rules, the terms and provisions of this Development Area Declaration shall apply.

5.9 **Higher Authority.** The terms and provisions of this Development Area Declaration are subordinate to Applicable Law. Generally, the terms and provisions of this Development Area Declaration are enforceable to the extent they do not violate or conflict with Applicable Law.

5.10 **Acceptance by Owners.** Each Owner of a Lot or other real property interest in the Development Area, by the acceptance of a deed of conveyance, and each subsequent purchaser, accepts the same subject to all terms, restrictions, conditions, covenants, reservations, easements, liens and charges, and the jurisdiction rights and powers created or reserved by this Development Area Declaration or to whom this Development Area Declaration is subject, and all rights, benefits and privileges of every character hereby granted, created, reserved or declared. Furthermore, each Owner agrees that no assignee or successor to Declarant hereunder will have any liability for any act or omission of Declarant which occurred prior to the effective date of any such succession or assignment. All impositions and obligations hereby imposed will constitute covenants running with the land within the Development Area, and will bind any person having at any time any interest or estate in the Development Area, and will inure to the benefit of each Owner in like manner as though the provisions of this Development Area Declaration were recited and stipulated at length in each and every deed of conveyance.
